THE HEATHEN WORLD
THE NEED OF THE GOSPEL AND

By Rev. G. PATTERSON, D.D.
12mo., cloth, 208 pages, Price 70 cents.

Deeply impressed with the condition of
the Heathen World, of its need of the Gos-
pel, and of the obligations of the Church of
Christ to supply that need, a gentleman of
fired a prize of 100 guineas for the best
essay on this important subject. The com-
petition was open to the Dominion of Can-
ada and the Island of Newfoundland.

"It covers the ground fully, is exceed-
ingly interesting and well written, and leaves
the impression that the Committee did not
err when it awarded the prize."—"Spectator,"

HON. S. L. SHANNON, Halifax.

WM. H. WEBB, Esq., (Brown & Webb),

ANGUS McMILLAN, Esq., Summerside,

JAMES HART, Esq., Halifax.
WM. CROWE, Esq., Halifax.

The history of the ONTARIO
MUTUAL LIFE has been from the
beginning of the Company up to the
present time, a record of success, alike
creditable to its founders, its board of
directors, its officers, its agents, and a
discerning public.

Success begets Success. The
growth of the Company has been rapid,
healthy and constant, showing in each
year since its establishment:—

(in membership;
in premium receipts;
in interest receipts;
in gross income;
in new business;
in surplus for distributing; and
in ready convertible cash as-
sets.)

AGAIN

The object of all connected with its af-
fairs has been to make it one of the best,
the most substantial, and enduring Com-
panies of its kind. That success has so far
attended their efforts, the present admitted
high financial standing of the Company
abundantly proves. Its income has advanced
from \$9,668.89 in 1879, to \$100,182.60 in
1883, and its assets from 6,216.00 to \$243,
705.00. The number of Policies issued for
the first four months of 1883 was 312, for a
total amount of \$423,100. And for the
same period in 1884—Policies issued 503,
for a total amount of \$732,250, being a gain
of 181 Policies and \$309,150 in 1884 over
the same period of 1883. These facts speak for themselves
and should induce all intending insur-
ers to pause and weigh well the record and
result of this Popular Company before
coming to a final decision. And for the
thirty four deaths and endowments
claiming in 1883, were paid upon an
average of one-fourth of a day from the
completion of the claim papers and there
did not stand on the books of the Company
at the close of the year, any claim disputed
or contested.

Promptitude in settling claims as well
as Equity and Liberality mark the whole
history of the ONTARIO MUTUAL LIFE.
Ministers will do well to apply to the
undersigned for special information before
placing their risks in other Companies.

CHURCH BAZAAR,

From several letters received expressing
satisfaction at our "Special Terms to
Bazaar Committees" we select the following
from Mr. J. W. Cassidy, Secretary of Car-
michael St. Sabbath School.

"I am glad to commend to Sabbath
schools and other religious institutions in
their Bazaar enterprises, the goods of your
"Indian Bazaar," having realized a hand-
some contribution to our Sabbath-school
from the sale of your goods. Our dealings
with you were very satisfactory."

STOP AND THINK

before you buy all the extensively adver-
tised nostrums of the day which have no
genuine cures, and have nothing to recom-
mend them to the public, but false promises to the
vulnerable, who instead of monetary gain, an
article of worth, which would cost nothing,
give to agents immense profits to realize
their sale, and the sick who have been
forced to try them, only find out what the
fact that they are really no better, and are
worse than before using them, then they
maintain the proprietors have

CAREFULLY

held away a fortnight, and in a short time
very many cases to be seen or heard.

Gates' Life of Man Bitters may be used
as a medicine of great merit, and has
made some of the most remarkable cures
known, and has never been introduced into
any locality where it has not given evidence
of great value to the suffering sick. Hun-
dreds of cures have been made in the pro-
vinces with this medicine in connection with
the Invigorating Syrup, and hundreds of
certificates from good citizens, and the
clergy, many of which are under our eye,
can not fail to convince the most skeptical
of their great curative properties.

DON'T BE DECEIVED
use the medicine that has been tested for
over forty years, and will certainly cure you.
S. positive are we of their power to cure,
that we offer a reward of \$100 for every
case they will not cure or help, and \$100 for a
false statement made by us of any certifi-
cate of cure this medicine has not accomplish-
ed. Sold everywhere at 50 cts. per bottle, 12
bottles for 5.50. Manufactured by J. Gates,
South Middleton, N.S.

IMPROVED METHOD OF STRINGING

MASON & HAMLIN
IMPROVED
UPRIGHT PIANOS.

Entire iron frame, to which the
strings are directly attached by
metal fastenings, securing

1. Best quality of tone, which is very
musical and refined; free from the tubulness
which is common.

2. Greater durability and freedom from
ability to get out of order; adaptability to
travelling positions and climates.

3. Increased capacity to stand in tune
will not require tuning one-quarter as often
as pianos on the old system.

Having tested this new system of con-
struction for two years and proved its advan-
tages, this Company are now increasing their
manufacture of pianos, and offer them to the
public generally. Every piano of their make
will illustrate that supreme excellence which
has always characterized their ORGANES,
and won for them highest medals at every
great world's exhibition for sixteen years.

logues of Pianos and Organs, free.
