WELCOME TO MR. GUNTON

Accepts Position of Executive Officer of A. B. of C. A. S.

Report Shows Good Work Done During Month

The regular monthly meeting of the Advisory Board of the Children's Aid Society was held in the County Clerk's Office, Harrison Hall, Monday afternoon. There were present: Messdames Stephenson, H. D. Smith, Williams, Sultman, Fraser, G. C. Taylor, Taffa, Sheldon, Ed. Taylor, Miss Young, Messrs. Paterson, Somerville, Rev. W. A. Gunton, and Dr. R. V. Bray.

The Executive Officer's report for the month showed that since the last meeting six visits had been made, five letters written, fourteen interviews held, two cases reported, embracing five children, one case investigated, with one case under observation. Two applications had been made for children, and four children had been made wards of the society. The report, after explanation, was adopted.

A letter was read from Rev. Mr. Gunton, in which that gentleman thanked the Board for appointing him Executive Officer, and stating that he would accept the position. Rev. Mr. Gunton, being present, was introduced to the members of the Board.

Accounts amounting to \$6.05, were ordered paid.

A grant of \$20 from the Chatham Township Council was thankfully received.

Several cases which had been looked into by the Ladies' Visiting Committee received the necessary attention. It was also decided to hold a sale of home-made cooking H. A. Andrews' Store, on Friday and Saturday, Sept. 27 and 28. It is hoped that all the members of the Society will contribute to this sale. After some minor discussion the meeting then adjourned.

PLEASANT DANCE

A most enjoyable dance was given at Orchard House, the residence of Mr. and Mrs. Leslie English, on Tuesday evening, in honor of Miss Horne, of Hamilton. The spacious drawing room was prettily decorated with banks of flowers in every corner. The excellent floors and Mr. Smith's music were enjoyed by about twenty-five couples.

Among those present were, Mrs. H. Smith, the Messrs. Shannon, Foreman, Banning, Stephens, Merritt, Thompson, Campbell, Voigt, Gunter, and McCorvie, and Messrs. Charnick, Benedict, Campbell, McCorvie, McDonald, O'Neil, Holmes, Williamson, Gillies, Baird, Walker and McPherson, of this city; Mr. and Mrs. Lugsden, the Messrs. White, Morgan, Shep, of Blenheim, and Messrs. Jamieson and McPherson, of Detroit.

GIVEN AN ADDRESS

Mrs. W. D. Sheldon pleasantly entertained the members of Christ Church choir at her home last evening. The evening was spent in music, after which luncheon was served.

During the evening Mr. Galloway, the retiring choir director of Christ Church, was presented with a beautifully worded address, as a token of the regret which the members of the choir felt on his departure, and their appreciation of his ability, and his untiring efforts while here.

During the evening, Mr. Carrington, lately Curate of Christ Church, made the announcement that he is also leaving the city, as well as Ernest and Clarence Higley, two other esteemed members of Christ Church congregation. The Messrs. Higley will attend Trinity College, Toronto. Mr. Carrington, it is understood, is leaving for Quebec.

WHITNEY TO TOUR

The Toronto News says: The probability is that Hon. J. P. Whitney will hold a series of public meetings in various parts of Ontario during the coming autumn.

These meetings, it is understood, are to be somewhat unique in character. While they will necessarily be political, it is understood to be Mr. Whitney's desire to avoid the regular campaign or "stumping tour" for this series. The Prime Minister will in all probability travel alone, unaccompanied by any local or central campaign organizers or speakers. His idea, it is said, is to confer and take counsel with the people on matters of past and prospective legislation, and give his account of the Government's stewardship.

It is not unlikely Mr. Whitney will arrange a few of these meetings for October.

JEAN SING IS "STUNG"

Six Smooth Young Men Get A Very Cheap Supper

Jaen Finds himself a Dollar Out—Complains To Police

Jaen Sing, keeper of the Chinese restaurant on King street, claims to have been the victim of a rather smooth game worked on him by six young men last night. Sing says that the sextette went into his place and had supper; four paid 25 cents each, and the remaining two at first refused to pay. Finally, one of the two held out a dollar bill in his hand, and asked the Chinaman to give him fifty cents in change, and thus the difference would be made right.

The unsuspecting Chinaman handed the young man the fifty cents, whereupon the latter pocketed both the fifty cents and the dollar bill. When the Chinaman figured things out, he found he was a dollar out. He went straight to the Police Court, and Officer Darr went out to make an investigation. The policeman found the six young men still in the restaurant, but they all stated positively that the Chinaman had received all that was coming to him. The case may be tried in Police Court later.

A DARING ROBBERY

Thieves Stop a Train On the Great Northern Limited

Looted Sacks of Registered Mail—Passengers Frightened

St. Paul, Sept. 13.—The Great Northern Limited train, No. 1, which left St. Paul Tuesday morning, was held up by two masked men near Bedford, Mont., early yesterday morning.

The robbers crawled over the tender, and at the point of their guns commanded the engineer to stop the train. The robbers kept up a continual fusillade with their guns to terrify the passengers.

The robbers went through the mail cars and robbed the sacks of a large quantity of registered mail. Then they went into an express car, which carried an overflow of mail, baggage and express, and which contained a regular through safe. After exploding three dynamite charges, the safe was opened and found to be empty.

On finding the safe empty, the highwaymen helped themselves to the registered mail, and, after firing a parting volley, disappeared.

A reward of \$5,000 is offered for them.

STANDS BY LEGISLATURE

Toronto, Sept. 13.—"One sees and hears many interesting political propositions these days," was the response of Premier Whitney, when asked this morning for his views as to the suggestion that he should enter the Federal arena and become a first lieutenant to Mr. Borden in his present campaign.

"Seriously," he added, "I am still profoundly impressed with the amount of sound, effective and permanent work which may be done in the Provincial Legislature."

STEALING FRUIT

Miss Tiesman, who lives on Thames street, complains that a number of young people are in the habit of getting out a gasoline launch into her garden, which slopes down to the river front, and robbing her orchard. For the past few nights they have played havoc with the fruit.

The young people should be aware that they are liable to prosecution for such theft. Miss Tiesman has a pretty good idea as to who the guilty parties are, and a policeman will be detailed to keep an eye on the orchard for the next few nights.

AFTER THE CHINAMEN

Two Local Laundrymen Viciously Attacked last Evening

Vancouver Trouble Is Evidently Spreading To The Maple City

It looks as though Chatham has a number of sympathizers with the Vancouver anti-Oriental rioters. Local sympathy, at least, appears to be all on the side of the white men, who are endeavoring to oust the yellow peril from the Canadian Pacific Coast.

Last night some hot-headed sympathizers went further, and attempted violence to the local Chinese. The result is that a number of complaints have been laid at Police Court by the Chinamen. The Chinaman who runs the laundry on the east side of Fourth Street, near the junction of Queen Street, was sitting by his doorway last night when a murderous-looking brick was hurled through his screen door, narrowly missing the Chinaman's head. Another Chinaman, who keeps a laundry on William Street, was attacked last night. Stones were thrown in his door and he had to seek police protection. The police are unable to locate the offenders, as the Chinamen do not know their names, nor can they give any descriptions which would prove of any use.

JAPS TRUST IN CANADA

Tokio Journal Admits That Japanese in B. C. Are Rough

Another Anti-Asiatic Outbreak is Feared—Japs To Fight

Tokio, Sept. 13.—The Jiji says in reference to the recent trouble at Vancouver.

The regret already expressed by the Canadian Government with assurance of the prevention of the recurrence of a similar incident, even a royal message having been sent to the Dominion authorities in reference thereto, furnishes the clearest evidence that the Japanese have official sympathy on their side. However, the power of the Dominion Government at Ottawa, and the Canadian police are more efficient than those at San Francisco, and there is every reason to believe that the fullest protection will be given to our compatriots at Vancouver.

The Hochi publishes the experience of a high Japanese official who visited a place near Vancouver, where Japanese are engaged in salmon fishing. He went in company with the Japanese consul and men who had interests there, and states that the Japanese laborers fairly insulted the party, saying: "You have no business here. Run away or receive our fists." The paper quotes this Japanese official as saying that the Japanese there were the roughest and rudest he had ever seen. They were totally ignorant of common politeness and he did not wonder they had become objects of hatred. They are ready to insult their consul when in good health, but when taken sick they appear at the consulate for assistance, as if claiming it by right. The presence of such characters only arouse the enmity of their neighbors.

Japan's Good Taste.
London, Sept. 13.—(C. A. P.)—The Morning Post remarks, anent the statement that Japan will voluntarily limit immigration to Canada, that in thus refraining from demanding her pound of flesh Japan is showing her good will in a more convincing way than another power which, exploiting the friendship of a kindred nation, habitually claims two pounds for every pound guaranteed by treaty.

Hindoo Have Money.
Vancouver, B. C., Sept. 13.—The eight hundred Hindoos who arrived Wednesday night on the Montague debarked yesterday morning. There is no semblance of trouble. They scattered around the town. More than half the number will have to sleep in tents.

They are well supplied with money, averaging \$50 each. Many will go on railway work up country. There is not one woman amongst the immigrants.

Bellingham, Wash., Sept. 13.—An anonymous letter received here warns all Japanese and Chinese in this city to leave at once. Japanese working at the canneries are armed and say they will resist any attempt to force them out of town. The Chinese, however, will not make a strong stand. E. B. Deming, general manager of the Pacific American Fisheries, says if the Orientals leave, the salmon canning industry is doomed.

ANOTHER HORSE DEAL

George Yott May Have To Account For Other Actions

It is Thought that he Figured In Former Stealing Jobs

There is nothing new to be learned about the horse-stealing case with the exception of some further evidence gathered, which may prove that the man Yott was implicated in the stealing of four other horses besides the team owned by Dr. McFarlane. It has been ascertained that Yott was away from home at the time at which the various horse thefts took place.

It is claimed that Yott was also implicated in a rather shady deal some years ago, when, it is alleged, that he introduced a stranger to A. D. Westman, of this city, as a farmer, named Smith, who wanted to buy a horse. The stranger, on Yott's recommendation, was allowed to take one of Mr. Westman's horses on approval. He never returned, and has not since been heard of.

HARD TIME PARTY

A very enjoyable time was spent Wednesday evening at the home of Miss Lillian Wemp, Wellington Street, when about forty of her young friends were entertained to a hard time party.

The costumes were very amusing and interesting, and an excellent representation of "hard times." A pleasant time was spent in music and dancing, after which a guessing contest was held. The prize for this contest was won by Alex. Murray. Gum was administered to each person, and "gum p.g." were made. The prize was won by Sherman Parrott. The prize for the best costume was awarded Miss Rene Knott, who was dressed to represent "Topsy."

A tasty luncheon was provided, and, after a short session of music and song, all returned home much pleased with the good time given them.
