### IN THE POLICE COURT BEFORE POLICE MAG. J. B. MICHAUD

On Sept. 11, Tremblay Pelletier versus Germaine Ringette. Ringette was convicted on the charge of assault and battery. The plaintiff was discovered on the road unconscious on July 28 and the action arose out of the events of the day. This case aroused considerable interest, and was adjourned several times before it was finally disposed of. Defendant was fined \$20 and costs. There were several witnesses for the Crown and for the defence. Mr. Cormier for the plaintiff. In connection with the above case we understand that it has been appealed, and will come up before Judge Carleton on Nov. 7. It is interesting to learn that this is the first case to be appealed since Mr. Michaud took office as Police Court Magistrate.

On Sept. 15, Abel Levesque and Le-wite Clavette were charged with having used explosive material to kill fish on August 14. There were two charges against both men. Levesque was found guilty and was fined \$100 and costs on the first charge, or three months in jail. Not being able to pay the fine he is serving sentence. On the second charge he was fined \$100 and costs, but the fine was allowed to stand. Clavette was fined \$100 on both charges, but the fine was allowed to stand on the payment of costs.

On Sept. 6, for being drunk on Sept. 5, Alyre Godet was assessed \$5 and costs.

On Sept. 6, for being drunk on Sept. 5, Denis Corriveau was likewise privileged to pay \$5 and costs.

A case which will be watched with interest and which was adjourned from September 15 until Oct. 6, is that of the charge against The Fraser Companies Ltd., of letting sawdust go into Baker Brook, a stream frequented by fish.

September 9, Camille Rossignol for speeding within the limits of the town of Edmundston, \$10 and costs. It costs less to go slow.

Information has been laid before the magistrate in the following cases: Against Magliore Soucy for assault and battery, information laid by Denis Martin. Both parties live at St. Basil. Information laid by Honore Pelletier of St. Basil against Louis Roy for assault and battery. Warrant issued but has not yet been served as Roy has evaded arrest.

## FIRE! FIRE! FIRE!

Fire has caused \$23,428.00 in losses during the first three months of 1928 in the town of Edmundston alone. Only \$12,799.00 was covered by insurance, leaving a net loss of \$10,629.00. It shows that the property destroyed was not sufficiently protected.

These are cold facts which should induce every property owner to carry a sufficient amount of insurance.
