

## GREAT DRESS GOODS SALE

Wednesday, Thursday, Friday & Saturday  
AT R. N. WYSE'S.

Many times we find people who pick flaws in our methods of doing business, and one great point they object to is the price-cutting-to-clear policy. They prefer to hold the goods on the fixtures year after year, (subject to depreciation in value) rather than sell at a reduced price; we prefer to have fresh goods every season. If goods can be sold out at a profit all the better, but if we buy too heavily, or goods show signs of sticking on our hands, our policy is to make them go even at a loss. The sale this week is based on this policy, and great sacrifices are made upon the offerings below.

## ORANGEMEN CELEBRATE.

Lodges Attend  
Divine Service  
Sunday, July 12

Grand Demonstration  
at Campbellton  
Monday, July 13

The Largest Demonstration of this Character Held  
On the North Shore for Years. Campbellton  
Crowded with Visitors.

Wherever there is an Orange Association, there the 12th of July is celebrated in a manner particularly its own. When that day falls on Sunday, as it did this year, the various Lodges attend divine service, and a good showing is usually made.

This year the Chatham and Newcastle Lodges attended service in the Baptist church, Newcastle and listened to an eloquent sermon preached by the retiring pastor, Bro. A. F. Brown. The Chatham Lodge was conveyed here by the steamer Miramichi. They were met at the Public wharf by the Newcastle lodges, headed by their band, and from thence marched to the above church, where seats had been reserved for them, but such a number had congregated that the spacious church was crowded to the doors. It is said that this parade to church was the largest ever held here. The day was beautiful, a light shower which fell early in the morning settled the dust and cooled the atmosphere.

At Blackville and Indian town the lodges also attended church and both were well attended.

**MONDAY AT CAMPBELLTON**  
For weeks preparations have been going on among Northumberland Orangemen to go to Campbellton and together with friends assemble at that town when fitting ceremonies would take place. A special train was engaged and the fare placed at such a figure that all could enjoy a day's outing. The day proved fine and warm and when the train pulled out of Newcastle station the eleven passenger coaches were well filled. These became crowded before Campbellton was reached, as all along the line friends were waiting

the arrival of the excursion train which arrived at its destination at 12:45 o'clock. Immediately upon the arrival of the train a rush was made for the hotels in search of dinner. Preparations had been made for a large crowd but it exceeded the expectation of even the most sanguine hotel man. Despite the rush everyone was well looked after and courteously treated and too much cannot be said in praise of the excellent hostilities of the town.

At 14 o'clock the parade which was as follows, was formed up by Messrs. J. W. Clarke, Grand Director of Ceremonies, R. G. Duff, County Director of Restigouche and J. Brooks, County Director of Northumberland.

After passing through the principal streets, the procession, which was nearly one thousand strong and which received hearty applause from the crowds that thronged the line of march, returned to the parade grounds. Here they were halted and counter-marched, going through the manoeuvres very nicely, after which county

master of the town, Bro. Devereaux, mounted the platform which had been erected for the occasion and called upon the Mayor of the town to welcome the visiting lodges and friends.

Mayor William Murray made a neat speech in which he congratulated the Orangemen on their fine turnout and assured them that they were more than welcome to the town.

The next speaker was Mr. M. Latchy, M. P. He made, as usual, a very interesting speech. Messrs. Rev. A. F. Brown and Kesteven and Grand Director of Ceremonies, J. W. Clarke also made appropriate remarks holding the attention of the audience till the last word was uttered.

The speech making was brought to a close by a rousing speech from Grand Master P. Heine.

Bro. Devereaux, County Master of Restigouche, then thanked his Worship the mayor and others for the courteous and cordial reception that had been extended the visiting brethren and their friends.

Out door sports were indulged in during the afternoon, there being jumping, running and other sports, also a base ball game which was much enjoyed by a large and interested crowd of spectators.

In the evening the Newcastle Minstrels gave an old fashioned minstrel show. The house was crowded and each number received well merited applause. One of the best hits of the evening was the "Tumbling and acrobatic work of Messrs. McKean and Brooks. The show was pronounced by a great many to be the best of its kind ever seen in Campbellton.

## HON. A. G. BLAIR RESIGNS.

Disagreement With Colleagues Over Grand Trunk Bill.

His Course Upheld by Friends on the North Shore.

Yesterday morning a telegram was received from James Robinson, M. P., stating that Hon. A. G. Blair had resigned his position in the cabinet through disagreement in the Grand Trunk Bill.

The following are late press despatches:

OTTAWA, July 13.—Hon. A. G. Blair has resigned his position in the cabinet. Efforts were made tonight to get a statement from Mr. Blair but he refused to be interviewed.

That he has resigned, there is no doubt. The difficulty between himself and his colleagues appears to have arisen over the eastern section of the Grand Trunk Pacific proposition.

Mr. Blair has been all along opposed to the Grand Trunk Pacific extending to Moncton, as he said this meant paralleling the government line, and thereby injuring the road.

When it was noticed last Thursday that Mr. Blair did not take any part in the caucus which was called to consider the Grand Trunk Pacific, it was suspected that the agreement under consideration was not satisfactory to him. On Saturday he left the city with his daughter and returned at noon today. It is said that on reaching the city he learned that the cabinet had decided to adhere to the arrangement with the Grand Trunk Pacific to carry out the eastern section as proposed, and therefore he had separated on this question, and most probably on this one alone, from his

colleagues, and left the cabinet.

There are some who say that his resignation has been in the hands of the premier for two or three days, but so far no official statement is obtainable, and it is not likely that there will be any until such time as the premier makes one to parliament and Mr. Blair will reply, if the precedent is followed, the premier will have first to communicate with his excellency the governor general, and to acquaint him with the facts before making any formal announcement.

If the above is true Mr. Blair has taken the right course and by this action will gain many friends on the North Shore, who look at the government proposal to build a road in opposition to the present government road, (the Intercolonial) as the height of folly.

Fuller details will be awaited with interest.

## DEATH OF REV. DR. READ.

Rev. John Read, D. D., pastor of the Methodist church at St. Stephen, died suddenly of neuralgia of the heart at 7 o'clock Friday evening. He participated in the services of this church on Sunday last, but had since been confined to his home. He leaves a wife, one daughter and three sons. Rev. Dr. Read was one of the leading ministers in the Methodist denomination and had many warm friends in St. John and throughout the province who will hear of his death with sincere regret. Rev. Dr. Read was a native of Albert county, and was educated at Mount Allison. He entered the work of the Methodist ministry in 1857, Andover being his first circuit. He has at various times served at Nashwaak, Gagetown, Parrabro, Berwick, Truro and Halifax. In 1870 he came back to the New Brunswick circuit and served successively at Queen Square and Exmouth street churches in this city and then went to Marysville, Charlottetown, Moncton, and in 1896 took charge of Centenary church, and remained until 1899, when he went to St. Stephen, where he has since been located. Rev. Dr. Read was a representative at the general conference held in Toronto in 1886, and was also a member of the Evangelical Alliance which met in New York in 1874. He was president of the N. B. and P. E. I. Conference in 1884, the year that the union of the Methodist bodies in Canada took place. He has also been chairman of the Charlottetown, Sackville, St. John, St. Stephen and Fredericton districts. He took an active part in the proceedings at the recent conference in this city. Rev. Dr. Read was an able speaker, and an excellent pastor who worked his circuits to great advantage. He was thoughtful and studious, and was generally regarded as one of the foremost men the Methodist church in this province. One of Dr. Read's sons is in the Gibson employ at Marysville, one is with the Summer Company, Moncton, and one is in the West. His daughter lives at home with her mother, formerly Miss Sterling, of Nashwaak.
