Mr. A. N. LARGE has purchased a five year old stallion "Potenate." one of the magnificent stock of General Withers of Kentucky. He is a dark bay horse, stands 164 hands high, and weighs 1300 lbs. He was sired by Cassius M. Clay, sr., dam Ellen M. by Almont, and has fourteen strains of Messenger blood in his veins.

MR. B. L. WOODSIDE, of Sun last week imported from Ontario a handsome draught stallion, "Young Royal Tom." He is a dark dapple bay stands 16½ hands high, is five years old, and weighs over 1,800 pounds. He has already taken thirteen first prizes, including a first prize and diploma at the Toronto Exhibition, competing against twenty-three first-class horses there.

THE Cape Traverse Branch Railway was taken over last Wednesday by Mr. Archibald, Chief Engineer of the Intercolonial, and the first freight shippe by Carvell Bros. the next day. The buildings, which are being constructe by the Department, are not yet finished and the road will not be regular opened for traffic until the close navigation. The work is spoken of it the highest terms.

SOMETIME ago we noticed the resigns tion of Mr. Peter Curran, Inspector of Schools for the eastern section of the Island, since which time Mr. Murray has resigned his charge of the western section. At a late meeting of the Board of Education, Mr. John Arbuckle, at present of Summerside, was appointed to succeed Mr. Murray, and Mr. William Cain, of New Perth, in place of Mr. Curran. Mr. Arbuckle's reputation as a scholar and a teacher has been established, while from what we know of Mr. Cain, we believe that no better selection could have been made in his case. Both gentlemen are valuable quisitions to our educational staff.

Dr. J. G. Bennet:

DEAB SIR.—Words fail to express my gratitude to you for the benefits I have received from your treatment. For sixteen months I never walked, or even stepped to the floor, and also suffered from paralysis, which prevented me using either my hand or arm. Now I can walk without any assistance, and my hand and arm are imphysiciants, but received no benefit whatever, and I am certain but for your treatment I should have been a hel-less invalid.

Most gratefully yours,

BELLA PATEES.

-IS DRAWN TO THE FOLLOWING FACTS:

First. That hay is scarce and straw abundant, and that you can save over one-third by ulting up both and mixing equal parts

Second That potatoes and turnips are a high price, while barley and oats are cheap, and saving of one-third is made by grinding one or both together for horses; and fattening stock do better on less roots and more cracked grain.
