Childs! Misses! Ladies!

Nickel's Big Bill.

Nickel Theatre again last evening. The pictures were new and each was favorably spoken of. There were four reels in all. Mr. Myers repeated his successes of the previous evenin plauded. The programme will be repeated this evening. On Monday evening Mr. Myers will render "Son of the Desert am I," which will be ollowed by a lively Irish ballad.

The Regatta.

Great enthusiasm is now evident for the forthcoming races.

Three crews of amateurs are hard at practice and are well matched The Brigade race pomises to be of more than ordinary interest. The crews are in good condition.

The new hoat house for the C C C is being rushed to completion The labourers who are training the Shamrock are an excellent lot an will have to be reckoned with.

Pleasing Presentation.

President W. J. Ellis and the officers of the Total Abstinence Society last Mr. Michael Hickey, Duckworth Street and presented him with an illuminate address as a remnder of the golder jubilee of his entry into the Society The address was read by Mr. Ellis who also made a nice congratulatory speech. Mr. Hickey was affected by this mark of the respect and esteem of the Society and he thanked the deputation heartily for their kindness and the honour done him.

An Easy Win.

in last evening's football match. The attendance was small and the exhibition poor. The rain showers made the ground wet and the ball greasy and consequently good play was difficult. It was a one sided game, the Colleians having matters their own way and scored at will. The result was:

**Brigade Challenge Cup.** 

It is likely that the City Club's Cha lenge Cup for the Brigade race will b up for competition this year, and it is certainly a trophy well worth workng hard for. It was made in England and with Governor Davidson's Cup should spur the boys of the various frigades to work hard to secure hese excellent trophies.

**Cured Diseases** of the Kidney

And is Depended On to Right Stomach and Liver Disorders.
Once Dr. Chase's Kidney-Liver Pills
are introduced into the tamily and
their efficiency becomes known they
are usually found too valuable to do
without. For everyday ills arising
from liver and bowel disorders they
being relief promptly, and when complicated diseases of the kidneys and
liver develop they often prove a sucdessful cure after doctors have failed.
