Marine ENGINES.

For Pleasure, Work, Speed.

Each type of motor boat requires a power plant of suitable style, horsepower and model, according to dimensions of hull, purpose used for and speed desired. The selection of the most suitable motor should not be guessed at, but should be the subject of careful consideration.

We sell the right motor for any power boat, whether used for pleasure, heavy duty purposes or fishing.

Where power and efficiency are of the most importance there you will always find
