As I pored over this quaint work of love and patience (if not of art) suddenly had a vision of myself lying ill in the little black walnut bed I had as a child. I wondered what made that come into my mind-and then I knew. The patchwork quilt was one of the household treasures and we children were not allowed to touch it as a rule; but when we had been ill, it was brought out from the cedar chest and put over as a special favor-in other words, a sick benefit.

From that, my mind travelled swiftly to other sick benefits. There was the old box made of inlaid bits of ivory and ebony and lined with sandalwood, that stood on the whatnot. There was nothing in the box, but it came from some far-off land, brought by some sea-going great uncle, and just to hold it in my hand linked me with his great adventures and filled my mind with misty dreams of the day when I, too, might sail the seven seas.

Resolute Beat Vanitie.

NEWPORT, R. I., June 3 .- The Resolute defeated the Vanitie in the first of the trial races to determine which yacht shall defend the America's Cup against Sir Thomas Lipton's challenger Shamrock IV. The race was sailed over a 28 mile windward, and leeward course in a moderate breeze, the Resolute crossing the finish line the victor by four minutes, 7 seconds elapsed time, and five five minutes 3-9 seconds corrected

Both yachts had slight accidents during the race. Vanitie's mainsheet bridled, which delayed her for a few seconds, while on the Resolute the jaws on the gaff jumped from the mast as she was turning the outer mark. Both boats made repairs in the harbor to-night, and will meet again to-morrow over a triangular course.

Skipper Chas. F. Adams, of the Resolute, won the honors at the start, when he berthed his yacht on the weather side of the Vanitie and obtained a commanding lead in the first five minutes. Vanitie was handicapped seven seconds at the start. On the beat along the Narragan-

sett shore Vanitie drew up on Resolute when they were half way to the outer mark, and at one time the two were almost on even terms. Manager Emmons of the Resolute,

said afterward that this gain was due to short hitches along the outof-bounds line which the two managers had arranged along this part of the course. During the trial races the yachts will keep outside a line drawn from Beaver Tall Light to Point Judith. The Resolute was three minutes and 40 seconds ahead of her rival at the turn. Manager Hoyt of the Vanitie, explained this gain by stating that his boat ran into a soft air pocket off Point Judith.

After the Resolute's accident, as she was wearing around the outer mark, Mr. Adams was compelled to keep her off course so that she would not jibe.

In the run into the finish before the wind with spinnakers set, the distance between the two yachts varied, but the Resolute had a lead of nearly a mile at the finish. The official time was: First trial

Resolute, (Emmons)-Start, 11,-01.42; finish, 2.20.49; elapsed time, 3,19.57; corrected time, 3.17.32. Vanitie, (C. Sherman-Hoyt)-Start, 11.02.00; finish, 2.25.11; elapsed time,

3.23.11; corrected time, 3.23.11. The times at the outer mark were: Resolute-1.03.10. Vanitie-1.06.05.
