A Tip to Hubby—
 Bet you never thought of it, but isn't it just a wee bit selfish to sit there in your big chair, your feet upon the fender, pipe-dreaming, while that little housekeeper of yours works over a sink full of messy pots and pans or finishing up the day's odds and ends? Have a heart, help her keep those rosy cheeks of hers. Be a real sport, step into Stewart's Fancy Bakery and ask for a loaf of Stewart's Homemade Bread, it's the best. Also Xmas Cakes, Mince Pies, Ladies' Fingers, Pastry Shells, Oyster Pattie Shells, etc. Take it home and tell her to quit baking. If it's anything fancy in the baking line, Stewart's have it.

UPHOLSTERING.
 To the public in general, a few secrets about your furniture.
 1. If your couch or chair is going to crack, it really has to be upholstered before you can cover it.
 2. All repairs have not to be done with 3 or 4 inch nails.
 3. Now is the time to have it done as we have a new staff and will guarantee good workmanship and quick delivery.
 4. What is worth doing is worth doing well.
