Hallowe'en Festivities.

MANY ENJOYABLE FUNCTIONS
LAST NIGHT.

The citizens of St. John's observed All Hallowe'en Eve in fine style last night. The young children in their homes enjoyed the Cauld Cannon supper, and derived great fun over the usual "Snap Apple." Celebrations in the form of dances and concerts were held in many of the halls, which the grown-ups enjoyed to the full.

WESLEY Y. P. LEAGUE.

The Hallowe'en Social held by the Young People's League of Wesley Church in the Primary Room on Monday night, was a decided success, and evidenced that there is a large amount of musical talent, and a splendid enthusiasm amongst them which only needs leadership; and as the new pastor and his wife get better acquainted with them they will bring about that desideratum. Rev. Mr. Fairbairn kindly acted as chairman, and like other Scotchmen his versatility proved he was "a man of parts," and a combination of a philosopher, a theologian and an entertainer, for his monologue at the piano, and ready wit, often put all in good humor. The solos of Misses Bartlett, Bursey, Faulkner and Marshall; and Mrs. Green, King, Richards and Snow, were all sung well, and very acceptable. Mrs. Bruchett and Mrs. Fred Cummings are very good readers and pleased all present. Miss Florence Davis gave a piano solo with much taste. Music lovers said it was a wonderful selection, while Mr. Walker maintained his reputation, for like Paderewski, he certainly knocked music out of the piano. Rev. Mr. Johnson, was in a very happy mood, and provoked much laughter when telling of how the farmers sons won the girls affections up in Nova Scotia. Ex-Mayor Morris, G. W. Gushue, A. N. Martin and others were present as guests, a friendly cup of tea, and an abundance of cake, pies etc. served, were greatly enjoyed by all. Meeting friends from other churches in this way, we remembered that we are far too sectional. We want the smile and the glad hand much more in many ways as we pass through life. Mrs. Whelan the President, Misses Taylor, Butt, Sparkes, Grimes and others of the Committee must be pleased with the appreciation of their efforts for all present voted it a grand time.

"ARTS CLASS" SPENCER COLLEGE SPEND ENJOYABLE EVENING.

The undergraduates of Spencer College, comprising the Associates in Arts Class, gave a Hallowe'en party in the Spencer College Hall at 8 o'clock last night. The hall was tastefully decorated for the occasion; streams of banners in colors of light and dark blue predominating, while the hostess and guests of the evening appeared in fancy costumes, which, proved very companionable for such a function. The teaching staff of the college were invited guests. Miss Cherrington, the lady principal of the College made a most charming hostess. During the evening teas were served by mesdames S. C. Thompson, George R. Williams, A. W. Piccott, and M. McGregor of the Spencer Club. Dancing, being one of the chief features of the occasion, wound up a most enjoyable evening. The costumes of the young ladies blended forth in a most interesting spectacle to the eye. The prize for the most original costume was awarded "A Dutch Girl," having been won by Miss Amelia Crawford. The music for the dance was provided by Miss M. Devine in her own inimitable style. The party proved a great success and the thanks of the class is due Mr. F. H. Ellis, who very kindly acted as floor manager.

GIRLS' CLUB HALLOWEEN PARTY.

Last evening the members of the West End Girls' Club of George St. Church, with their boy friends, held a Hallowe'en Party in the basement of that church, which was prettily decorated for the occasion. About sixty attended, all of whom were first put through an initiation, which consisted of being led, blindfolded, and encountering such obstacles as suspended apples and tree branches, etc., and also walking over (the boys in their stocking feet) beans and other

impediments. Following this, at the feet of the enthroned Witch, in the appropriate costume and setting, an oath was taken, punctuated by the mischievous use of a "wet feather," the "full-stop" being a shake of a wet, gloved hand. A successful competition was then enjoyed by all, as were also the games, recitation, and—needless to say—the refreshments.

N.B.S. CELEBRATE.

The Newfoundland British Society celebrated a Hallowe'en Concert dance and card party, in their rooms last night. A large number of the members and friends of the Society attended. The Ladies' Auxiliary served a Cauld Cannon supper during the evening, which was thoroughly enjoyed by all present. It is the intention of the Society to hold similar entertainments every month.

AT THE PRESBYTERIAN HALL.

The Hallowe'en Social in the Presbyterian Hall last evening was attended by a large gathering and proved to be the hit of the season. The St. Andrew's Young Ladies' Guild supplied a delicious Cauld Cannon supper for the occasion, while the concert programme, which was a most excellent one, was thoroughly enjoyed by all. Those that contributed to the numbers were Misses Elsie Tait, I. Glendenning, Doris Mews, Marguerite Mitchell, Mrs. Small, Alice Woods and Mrs. C. F. Garland, while Messrs. A. E. Homes, and A. R. Stansfield contributed to a very interesting sketch. The evening's entertainment proved to be an unqualified success, the sale of candy and ice cream greatly assisting to the sum realized. The girls of the Guild were tendered a hearty vote of thanks before the close.

LADIES' AUXILIARY PROVIDE A SPLENDID ENTERTAINMENT.

Upwards of 200 people attended the Cauld Cannon supper, card party and dance, arranged by the Ladies' Auxiliary of the Total Abstinence Society, a friendly cup of tea, and an abundance of cake, pies etc. served, were greatly enjoyed by all. Meeting friends from other churches in this way, we remembered that we are far too sectional. We want the smile and the glad hand much more in many ways as we pass through life. Mrs. Whelan the President, Misses Taylor, Butt, Sparkes, Grimes and others of the Committee must be pleased with the appreciation of their efforts for all present voted it a grand time.

Julio Valentino and Earl Williams.

IN ROGUES AND ROMANCES WATCH
FOR THE VICTIM.

As will be seen from the ad. on another page, the popular Star has for to-night a most classy and varied program. Those who saw Valentino in the Four Horsemen were more than loud in their praises of his dancing in the Parisian Dance Hall. In this picture to-night he is given more scope to display his dancing qualifications, when he appears with Earle W. Williams who plays the title role. The picture is one that is suited to all classes. With this feature is a very interesting O. Henry story in two parts entitled "The Seal of Doom" while the comedy part of the program will be attended to by the famous Snub Pollard, in "At the Fight."

For Friday night there is the reckless Harry Carey Jr. in his first million dollar Western special, entitled "The Victim," which is billed for next week. It is one of the most heart touching stories that has ever been conceived by the human mind, or witnessed by any audience. It is one that baffles description. This picture has been released by the Goebel Pictures Corporation under the title of "The Victim or the Seal of the Confession" and the part of the Priest is played by that eminent American actor or Robert T. Haines. As an added attraction to this picture the Management has secured the services of our talented Miss Hilda Krentzlin, who will sing Nearer My God to Thee, and for which special music has arrived. It is difficult to find words to adequately describe this wonderful picture, but it may be frankly admitted it is the biggest, yes even bigger than The Four Horsemen; that has ever been shown to a Star Movie audience. Don't miss it next week.

Unreasonable rage plunged him into a situation which resulted in his being unjustly accused of murder. See Perjury at the Majestic to-day—oct31, 12.

Naval Vessels on All Lakes.

Preliminary exchanges relative to the new Great Lakes armament treaty between the United States and Canada are understood to have resulted in a virtual agreement to dispense entirely with naval vessels on the Lakes, and to replace those now in commission there with revenue cutters. Such a rectification of the border armaments is said to have been looked upon favorably by representatives of both Governments as in harmony with the spirit of the Washington Armaments Conference, and with the policy under which the boundary between the United States and Canada is left unguarded by land fortifications.

You Can Tell a Man By His Tailor.

The hang of his coat, the style and pattern of his waistcoat, the drape and lines of his trousers are indexes to the manner of the man. In short, a man's tailor makes a man, to all worldly appearance, and appearance counts more than half in the great game of business and society.
