

will send the most probable result is that he will be turned out of the White House, and yet it appears that the removal of Stanton, the primary cause of the fuse, gave that gentleman very little concern. In a letter written April 14th, to Hon. S. Cameron, he says: "Enough of my life has been devoted to public duties, and no consideration can induce me to assume those of the Treasury Department, or continue in the War department longer than may be required for the appointment and confirmation of my successor."

**DR. MAGGILL** is the founder of a new Medical system. The granularities whose internal doses excite the stomach and paralyze the bowels, must give precedence to the man who restores and appetite with from one to two of his ordinary Pills, and cures the most violent cases with a box or so of his wonderful and all-healing Salve. These two great specifics of the Doctor are fast superseding all the stereotyped nostrums of the day. Extraordinary cures by Maggill's Pills and Salve have opened the eyes of the public to the inefficiency of the (so called) remedies of others, and upon which people have so long blindly depended. Maggill's Pills are not of the class that are swallowed by the doses, and of which every full taken creates an absolute necessity for another. One or two of Maggill's Pills suffices to keep the bowels in perfect order, tone the stomach, create an appetite, and render the spirits light and buoyant. There is no griping and no reaction in the form of constipation. If the liver be affected, its functions are restored, and if the nervous system is feeble, it is invigorated. This last quality makes the medicine very desirable for the curative of colds, catarrhs, and other diseases. Maggill's Pills are literally extinguished by the disinfectant use of Maggill's Salve. In fact, it has been announced that Maggill's Bilious, Dyspeptic and Diarrhoea Pills cure where all others fail. While for Burns, Sores, Chills, and all other Abrasions of the Skin, Maggill's Salve is infallible. Sold by J. HAYDOCK, 11 Pine Street, New York, and all Druggists, at 25 cents per box.

**Almost a Miracle.**  
HAMILTON, 6th March, 1868.  
DEAR SIR,—That others may be benefited as my boy has been, I beg to send you the following particulars of his cure by the use of your Bristol's Sarsaparilla. Three years ago next May he got a severe fall, which bruised his arms and left leg. I called in medical aid, supposing it to be a simple hurt, from which he would soon recover; but in this I was disappointed, for after having had thirteen different physicians at him, he was at last given up by them as incurable. He used many kinds of medicines and other Sarsaparillas by the dozen bottles, but without any benefit. At last he began to use your Bristol's Sarsaparilla, and during the time of using it a bone 2 1/2 inches was taken from his leg, and a piece 8 inches long from his arm. He used about 80 bottles in all, and after he continued to his last two years and seven months, he is now well enough to go around and take care of himself. I consider that if it had not been for your Bristol's Sarsaparilla he would not have lived. Mr. Bickle, the Druggist, is familiar with the case, and can vouch for the truth of my statements. You are also at liberty to refer to any person to me, when they can see the boy.

Home Depot at London and Liverpool.  
Canada Depot, 23 Hospital Street, Montreal.

**THE India and China Tea Company** beg to call the attention of the Canadian community to the directly imported Teas, which for purity and excellence will be found unequalled.  
The Company have made arrangements whereby they have secured the entire produce of some of the best plantations in Assam and on the slopes of the Himalayas, and by a judicious blending of these magnificent Teas with the best varieties of China produce, they are enabled to offer to the public Teas of quality and flavour hitherto unknown to the general consumer. These Teas are in high favour in England and France, and a single trial will prove their superiority.  
The Company supply two qualities only, either Black, Green or Mixed. Their Black Teas will be found to possess great briskness and vigour, combined with colour and strength, and to be entirely different to the flat and rapid article usually sold as Black Tea; while their Green Teas are altogether free from the deleterious mineral powder so commonly used for coloring the leaf.  
PRICES: Rich, full-flavoured Teas, for far less than a real genuine and fine article, 70 cents per lb. Finest quality procurable, one dollar per lb.  
The above can be had either Black, Green or Mixed.  
To be had in packets of Quarter Pound Half Pound and upwards, or in tin canisters of 5 lbs. and upwards, from the Company's Agents in all the chief towns of Canada—B. & J. S. being practical men of considerable experience, hope by strict attention to business to be able to give the fullest satisfaction to all who may favor them with a call.
