

**BRANFEST—EPPE'S COCOA—GRATEFUL**  
and COMFORTING.—By a thorough knowl-  
edge of the natural laws which govern  
the operations of the digestive function,  
and by a careful application of the fine  
properties of well-selected cocoa, Mr.  
Eppe has provided our breakfast tables  
with a delicately flavored beverage which  
may save us many heavy doctor's bills—  
*Chil. Service Gazette.* Made simply with  
boiling water or milk. Each packet is  
labeled "James Eppe & Co., Homeopathe-  
tic Chemists, London." Also, makers  
of Eppe's Milky Cocoa (Cocoa and Con-  
densed Milk).

During the year ending February, 1872,  
six firms in the Dominion alone, viz:  
Avery, Brown & Co., Halifax; T. B.  
Barker & Sons and Hamilton Brothers,  
St. John; Evans, Mercer & Co., and Ly-  
man, Clark & Co., Montreal, and North-  
rop & Lyman, Newcastle, Ontario, have  
purchased the enormous quantity of  
forty-nine thousand four hundred bot-  
tles of Fellows' Compound Syrup of Hy-  
poprophites.

**SPOTS ON THE SUN.**—The sun has of  
late become an object of great anxiety to  
many scientific men. Spots are quite  
common on that orb, as may be seen by  
any one who may take the trouble to look  
at it through a piece of smoked glass;  
but although these phenomena have of  
late assumed an appearance which astonish  
astronomers, how much more astonishing  
is the wonderful effect of the "Canadian  
Pain Destroyer" in cases of severe colic,  
rheumatism, neuralgia, pains in the back,  
stomach, &c. For sale by druggists and  
country dealers. Price 25 cents per bot-  
tle.

**FRENCH HORSES.**—Many persons  
physic their horses frequently—especially  
every spring. This is a great error, and  
one which has caused the loss of many  
valuable horses, as physic is it usually  
given, often produces inflammation of  
the bowels, which generally proves  
fatal; it also weakens the horse and thus  
renders him more liable to disease, or  
less able to throw it off—what is required  
is a medicine which will operate gently  
upon the bowels, and act upon the liver  
and lungs, removing all obstructions  
therefrom, purifying the blood and en-  
abling all the organs to do their work  
without overtaxing any, which is accom-  
plished by the use of "Darley's Condition  
Powders and Arabian Heave Remedy"—  
it is always safe and certain. Remember  
the name, and see that the signature of  
Hard & Co. is on each package. North-  
rop & Lyman, Newcastle, Ont., proprie-  
tors for Canada. Sold by all medicine  
dealers.

**A Chemical Food and Nutri-  
tive Tonic.**

Without Phosphorus no thought, say the  
Germans, and they might add, no action  
since Phosphorus and the Compounds are  
known to be the basis of the power of the  
muscular system. They constitute more  
than half the material of the human  
body, being found in every tissue, and their  
presence is absolutely essential to nutrition,  
as they promote the conversion of albumen  
in the food into fibrine, which is the vital-  
izing agent of pure, healthy blood. They are  
now coming into universal use in Europe  
and America in the treatment of Scrophulous,  
Consumptive and Venereal diseases, which  
are caused by impoverished or poisoned  
blood; and in diseases of women suffering  
from irregularities, obstructions and ex-  
hausting discharges, in pale, young children,  
and that condition of the system known as  
prostration resulting from bad habits, excessive  
use of stimulants and tobacco, and all that  
traffic of evil known as fast life. The great  
reliability and promptness in its effects in  
immediately and permanently restoring the  
deteriorated constitution, has made
