the Annual Meeting.

St. Thomas, March 1.-The annual meet. ing of the East Elgin Reform Association was held yesterday in the town hall at Aylmer, which was packed, though the weather was very cold, and the roads frozen and rough. The enthusiasm displayed augurs well for the predictions of several of the speakers, that the Liberals would redeem both the Elgins for both Houses when the elections again come on, The following officers were elected: Robert Francis, New Sarum, president; Dr. Miller, Aylmer, vice-president; G. A. Bingham, Aylmer, secretary-treasurer. Short speeches were made by the newly

elected officers. WORKING ON ESTIMATES

Cabinet Preparing for the Coming Session at Ottawa. Ottawa, March 1-The cabinet was is

session yesterday from 2 o'clock until 7 in the evening, preparing the estimates for the opening session of Parliament, It is expected that the estimates will be brought down soon after the opening of Parliament. This will provide the House with plenty of work until Mr. Fielding is ready with his budget. The injury of the Finance Minister will retard the preparations of the tariff somewhat, and will probably set back the financial statement a month later than it was anticipated it would be brought down.
