IN WRECK OFF PORT COLBORNE TWO GO TO THEIR DEATH

Lifeboat Capsizes When Carrying Crew From Stranded Ship to the Shore, and the Steward and Wife Perish -Boat Will Be Total Loss.

Port Colborne, Nov. 30. — The steamer Raleigh, bound from Quebec to Erie with a cargo of pulpwood, was wrecked on Third Point, six miles from here, this evening, and two persons, the steward and his wife, were drowned. The vessel put out from here last flight. On account of the severe storm blowing she was forced to run back, and this morning at 7 o'clock was noticed outside the east breakwater with distress signals flying. Part of her machinery had broken down and she could not make the harbor. No tugs would venture to her assistance on account of the heavy seas which were running mountains high. She held her position until 2 o'clock this afternoon, when her anchors would hold no longer, and she started to drift with the wind. The Buffalo lifeboat was wired for, but on the beach; and she will probably be a Double of the probably be a beach, and have made.

The Weak, Lame, Aching Back Comes From The Kidneys.

Those who have never been troubled with kidney trouble do not know the suffering and misery which those afflicted undergo.

On the first sign of backache Doan's Kidney Fills should be taken immediately so as to avoid years of suffering from kidney trouble.

They go right to the seat of the trouble, heal the delicate membrane—of the kidneys and rake their actic ular and natural.

Mrs. Joseph Throop, Upp. Point de Bute, N.B., writes:—"I cannot speak too well of Doan's Kidney Fills. For two years I was so tired life was a burden, and I got up more tired than when I went to bed, and my back was so lame I could hardly straighten up. I took different kinds of medicine, but none of them did me any good until a friend advised me to try Doan's Kidney Pills. I did bo, and to-day I don't know what it to be tired, and my lame back is all gone. I can recommend them to any person suffering with lame back and that terrible tired feeling."
