ORIENTS BEAT CLASSIC SHOE.

The Orient Club defeated the Classic Shoe team in the Commercial League last night, 3 to 1. The Orient found Walden for five bingles, which coupled with two errors, gave them the game. Both pitchers were there with the strike outs, Callahan getting 11 and Walden 10. Ballard made a nice drive to centre for three stations. The score:

WITH TECUMSEHS ON THE WARPATH

WITH TECUMSEHS yalissess. The first Brantford game was a slow affair, the players not showing any inclination to hustle at any stage. A little more life would not do any harm.

Eleven men faced Donovan and Tasker in the fifth. Only three hits were made at that.

The Tecumsehs had fourteen men left on bases during the fracas, and Brantford had nine. Mr. Finch Hitter was very conspicuous by his absence.

Mr. Courtney, one of the visitors, should remember that there are catcher sitting in the grand stand, and such a gross exhibition of cussing as he gave at the game will not do. There is no need for that sort of thing at this park.

Nichols, Lindenberg and Powell pulled off a smooth double play in the sixth inning. It was the best yet.

The Tecumsehs had plenty of chances to break up the game early in the day, particularly in the first and fourth. However, the psychological swat was not in evidence.

Benny Speer was there with the wallow when it counted. He slammed Tasker as soon as the big fellow stepped into the box, sending two runs across.

Donovan in four and a third innings.

SCHAEFFER RELEASED AND WELSH SIGNED

Knotty Lee makes a few changes in his Hamilton team.

Hamilton, June 18.—Harry Schaeffer, the first baseman and outfielder, drew his release from the Hamilton baseball club Saturday evening, while catcher Welch, the catcher who was with St. Thomas last year and has been with Berlin this spring, was taken on. Schaeffer's release means the shifting of Connie Murphy to left field, while Manager Lee will go to right field himself, a move which has been expected for the past month, and which finally came when everybody had practically given up hope of Lee getting into the game regularly. Welch will be carried as second catcher, and as soon as Lee makes up his mind which one of the five pitchers he is carrying must go, the team will be down to fighting strength.

It has taken Lee a month to get down to business. In that time he has tried out a small army of players and has at last rounded out a strong ball team. Welch is a real good catcher, his one fault being inability to hit, but he has a splendid arm and a good head and will prove just the man needed to give Fisher assistance.

Star Charter Galloped Home in Front of Hotel Royal Handicap Race—The Results.

Hamilton, June 17.—John W. Schorr, who has been gathering in most of the big events run on the Canadian circuit this season, furnished the winner of one of the feature races at Hamilton this afternoon in Star Charter, who galloped home in front of his field in the Hotel Royal Handicap, a dash of a mile and a furlong, for which he was an even-money favorite. Star Charter was ridden by Butwell, trailed the leaders for five of the nine furlongs, went to the front when ready, and won with something in hand.

The Wentworth plate, a dash of six furlongs, to which was added a purse of \$1,200, resulted in a big upset, the winner turning up in the extreme outsider Little Father, who beat Lahore out a length in a driving finish. Little Father suffered his first defeat of the season on the circuit in this race. SARNIA SOLDIERS WERE GIVEN GREAT SEND-OFF

Crowds Thronged the Docks as Big Steamer Started for Goderich.

[Special to The Advertiser.]

Sarnia, June 17.—Amid the beating of drums, stirring bugle calls and the gay music of the regimental band, the steamer Sarnia swung away from the Northern Navigation docks this afternoon, her decks ablaze with the scarlet coats of the local militia. On the docks a merry crowd of people waved handkerchiefs and hats at the departing soldiers, who will spend the next two weeks at the military camp at Goderich. The Sarnia boys made a very smart appearance as they swung down Front street to the music of horn and drum before boarding the awaiting vessel. The fair sex were present in large numbers, much to the dejection of the merry chivalry, several of whom were overheard to remark uncomplimentary things about the attractive power of a uniform. Quite a number of dusky belles from the Indian reserve mingled with the crowd, gazing proudly on the braves in the brilliant tunics.

The Petrolia company and the company of Indians from the Sarnia reserve, who belong properly to the Middlesex regiment, accompanied the Sarnia and Point Edward boys.

The local squadron of cavalry of the First Hussars left earlier in the day

by train for the big camp. The Sarnia presented the appearance of a troop ship en route to war as she steamed steadily up the river, answering the salutes of passing vessels.

Five Weddings. Miss Olga M. George and John L. McCann, of Detroit, were married on Saturday evening by Rev. Mr. Barralough. The bride and groom left for Detroit, where they will reside in the future.

Miss Lilian M. Collins, daughter of Mr. and Mrs. J. E. Collins, of Sarnia, and Thomas F. Walker, of Port Huron, were married at the bride's home on Cornwell square, at 2 o'clock this afternoon. Rev. Mr. Barralough, of the Central Methodist Church, performed the ceremony.

Henry H. W. Goss, of Sarnia, and Miss Louise Kurn were married on Saturday by Rev. Canon Davis, of St. George's Church.

James H. Martin and Miss Elsie E. Sommers were united in marriage on Saturday last by the Rev. Canon Davis. Both the bride and groom are residents of Sarnia.

The marriage this afternoon of Doris C. Collins, Cleveland, Ohio, and Miss Ruth Frederick, of Chicago, makes the fifth since Saturday. The couple were married by Rev. J. E. Holmes, of the Devine Street Methodist Church.

Among the guests registered at the local hotels are: E. C. Robinson, London; W. R. Earle, Montreal; Mrs. Geo. Slaght, Burns, Mich.; W. Sanford, Marysville; M. Cooper, London; J. R. Craig, London; C. H. Sinclair, Detroit; O. Backtrack, Toronto.

The reporters are beginning to arrive here daily now that the school days are over for the summer. Several of the cottages at the beaches are already occupied, and the others will soon be tenanted. The bathing season is now open, and during the past week quite a few of the more hardy spirits appeared in bathing suits and really ventured into the water. The Wees Beach hotel, which is in the hands of painters and decorators, will open July 1, even in short order. Two dollars and costs, and in three cases the usual ten days in jail in default of payment. The fourth was more fortunate than his less thrifty companions and managed to procure sufficient funds to pay his fine.

The local police have been notified to watch for Bruce Ireland, a seventeen-year-old lad, who escaped recently from the industrial school at Minto, Ont. The young fellow was last seen in Woodstock, according to a telegram received from the superintendent of the school, and it is believed he is headed this way.

Work of Bad Boys. Launch owners are complaining of a number of young lads that hang around the water front either through mischief or sheer maliciousness cause considerable damage to the small boats which are kept along the docks. One man reports that the engine on his launch was badly damaged by the young vandals.

An old gentleman from the south ward, named back by the American immigration officers at Port Huron today. The aged man is a little unbalanced mentally in some respects and the officers were compelled to refuse him admittance. He is, however, a veteran of the Civil War, and it was with the intention of going over to draw his pension that he made the trip. Another old gentleman, also from the south ward, started for Port Huron, he also being a veteran of the same war, and intending to get his pension, but was forced to abandon his journey before getting many blocks from home, being overcome with fatigue. After resting a while in a nearby office, the old fellow was taken home.

The gas franchise, which was to have come up for argument in the courts at Toronto on Friday of last week, but which as usual was postponed, is slated for Wednesday of this week. Those interested are not lacking heavily on the day set, however, having become inured to the constantly changing dates decided upon for its appearance in court.

Mr. Murphy, of Ottawa, is filling the temporary vacancy created in the local immigration force, by the absence of Inspector John Brown. Mr. Brown is a Lieutenant in the local squadron of the First Hussars, a left today with his detachment for the militia camp in Goderich, where he will spend the next two weeks, after which he will resume the position now held by Mr. Murphy.

COAL PRICE PROBE. Washington, June 18.—The interstate commerce commission today, upon its own initiative, ordered an investigation into the rates, practices and regulations which apply to railroad transportation of hard coal. All the anthracite roads embraced in the so-called "hard coal trust" will be respondents in the proceedings.

READY-MADE FARMS
FOR THE IMMIGRANTS

Duke of Sutherland's Scheme To Be Tried in Eastern Ontario.

Montreal, June 17.—The Duke of Sutherland's land colonization scheme will take effect in Eastern as well as Western Canada, and will be the biggest thing of the kind ever undertaken in the country by private enterprise.

In the course of an interview here his grace said:

"I have organized what is to be known as the Imperial Colonization Company of Canada, with a capital of two million dollars. In order to interest others, as well as myself in this immigration scheme, I have formed a strong Canadian board for this company, and intend also to form a strong English board. The duties of the former will be purely those of management, and those of the London board will consist largely of the selection of the immigrants.

"The company will buy up large tracts
