

## MAGIC BAKING POWDER

## TRACING THE POISON IN ORPET MURDER CASE

Cyanide Was Kept in Greenhouse by Father of Accused.

[Canadian Press.]

Waukegan, Ill., June 17.—Judge Donnelly, who is hearing the case of W. R. Orpet, the university student charged with the murder of his former sweetheart, Marion Lambert, expects to decide today whether he will call Percy Longland as the court's official witness in the case. Longland, the state's attorney yesterday that Longland was summoned, and the jury was excused late in the afternoon while the opposing counsel argued before the judge as to the state's request, the defence entering a vigorous objection. Longland is employed on the Cyrus McCormick estate by E. O. Orpet, father of the defendant and superintendent of the estate. He had charge of the greenhouse in which a can of cyanide of potassium was kept at the time of the girl's death.

State's Attorney Dady said that Longland told him that Mr. Orpet had ordered him about Christmas time to throw the poison away, as it had deteriorated to such an extent that it was of no value. Longland said he had forgotten to do so, but that a few days after Marion's death Orpet told him to throw the poison in the ash heap and to "forget that you ever saw it." Dady said this was before it was known that Marion died of cyanide poisoning.

Mrs. Lambert, mother of the dead girl, occupied the witness stand for a short time yesterday and testified that Marion was always of a happy disposition. The mother's contradictory story told by Josephine Davis that her daughter was sad on her birthday night, a short time before her death.

## STACKS OF SOVEREIGNS MINTED BY STATES

Tons of Gold From England Reaches United States, Via Canada.

[Canadian Press.]

Philadelphia, June 17.—Tons of British sovereigns have been shipped across the Atlantic during the past six months and much of this gold has been melted at the Philadelphia and other mints into bars and stacked in the sub-treasury and the mints. Approximately \$10,000,000 coin has arrived at the local mint in the last few days from Canada, \$2,000,000 arriving yesterday from Ottawa.

The stacks of gold in the mint contain 16,300 bars, each one being worth about \$7,000.

## SOLDIERS AT WALKERTON SAVE AUTOIST'S LIFE

Alvin Glinz Pinned Down in Creek When Car Jumps Bridge.

[Special to The Advertiser.]

WALKERTON, June 16.—The town council has named Monday, August 7, as Civic Holiday.

The high school board has engaged John T. Knowles, B. A., as mathematical teacher at an initial salary of \$1,100.

Alvin Glinz, a young man, was pinned down in an auto accident, when his car turned turtle as he was driving over a bridge on Silver Creek, pinning him underneath. Only the presence of a number of soldiers, who were on duty, saved him from drowning.

The public library board has appointed Mrs. W. F. Thompson assistant librarian, to take charge of the library during the absence of her husband, Librarian Thompson, at the front.

## DROWNED IN FLOODS.

Hornell, N. Y., June 17.—Four persons were drowned here last night and property was damaged to a considerable extent as a result of floods along the Canisteo River near here, caused by the recent heavy rains.

Mrs. John M. Saxton was drowned while motoring down a steep hill when a small stream at the top suddenly changed its course and swept car and occupants down the hill. Her son, Frank O'Neill of the state highway department, escaped, but Mrs. Saxton's body was found buried in gravel.

Peter Head and Levi Mathewson were swept into Purdy Creek in the house in which they dwelt near Canisteo. Head's corpse has been found, but the other is missing. Mrs. Stephens of South Canisteo was drowned and her body later found on the Erie railroad tracks.

## Back Was Lame and Ached; Could Do Very Little Work

Suffered Much From Kidney Disease for Years, But Cure Came With the Use of Dr. Chase's Kidney-Liver Pills.

Doctors had tried to cure this man but failed to get at the cause of trouble, probably because they relied on medicines which act on the kidneys only. The strong feature about Dr. Chase's Kidney-Liver Pills is their combined action on liver, kidneys and bowels. In many of these cases the disease is so complicated that ordinary kidney medicines fail to be of much benefit. Under such conditions Dr. Chase's Kidney-Liver Pills usually touch the spot and effect a cure.

Had they been only moderately successful Dr. Chase would never have selected them for world-wide distribution. As it was, the demand for these pills resulted naturally from their superior merit, and there was nothing else to do but supply them in large quantities.

Mr. Simon Shieloff, Birchbrook Orchards, Birchbrook, B. C., writes:

## NEW STEAMER RUN FROM DETROIT PORT COMMENCES TODAY

Three Boats of N. N. Line to Leave Each Week.

## NEWS OF IMPERIAL CITY

Citizens Grow Impatient at Delay in Solving W. W. Problem.

[Special to The Advertiser.]

SARNIA, June 16.—The steamer Noronic of the Northern Navigation fleet arrived here at 10 o'clock this morning, two hours ahead of her schedule, and left for Detroit one hour later. The guests of the steamer, numbering over 500 members of the Society of Automobile Engineers, report a fine time at Owen Sound and Killarney, and also while en route between the ports, the social life of the big steamer being ideal, there not being one dull moment. The steamer will leave Detroit on Saturday and will inaugurate the service with Detroit as the southern terminal, which will be in effect during the summer months. Three boats will leave Detroit each week, the Noronic on Monday, the Hamonic on Wednesday, and the Noronic on Saturday.

H. H. Gildersleeve, manager of the company here, said that the reservations received weeks ahead from all sections of the United States and Canada. He believes the social hostesses on the steamer will be a factor in assuring entertainment for the passengers.

## CITIZENS GROW IMPATIENT.

SARNIA, June 16.—The people of Sarnia are becoming tired of the everlasting waterworks schemes, and are beginning to lose patience with the council in not going ahead with something. The city paid a large sum of money to several expert engineers for reports as to how to get water, and when they received each of the four solutions found an array of opponents in council. Leading citizens who are qualified to speak declare that the reports of the engineers are about the only solutions to the question, and any other schemes that might be proposed are doubtful and liable to get the city in a worse mix-up than at present.

The proposal to build a number of small infiltration basins, right at the edge of the river, and take the water from these to the bigger basins, is declared to be another experiment.

All the schemes proposed will be considered by the fire and water committee, and it is expected that soon some action will be taken. The committee is expecting an engineer from Toronto in the course of the next few days. Opponents of the scheme of using intake pipes declare that these cannot be put in at that point, owing to the depth of water and the current, but others state that the work can be done successfully. The intake and chlorination or mechanical filtration is declared to be the only positive scheme so far advanced in which there cannot be any doubt as to the volume and quality of water after it is installed.

## GREAT PICNIC PLANNED FOR ALVINSTON TUESDAY

Concert in Evening Will Be for Benefit of Red Cross.

[Special to The Advertiser.]

ALVINSTON, June 16.—What promises to be the biggest picnic in this part of the country will be held here Tuesday, June 20, at the fair grounds. The committees in charge have spared no pains towards making the program a success.

At 1 o'clock the program starts with athletic sports. There will be races for boys under 14 and over 12 years, under 10 and over 8 years, and under 6 years. There will also be races for the same as the above. In each case cash donations will be made of 75 cents for first, 50 cents for second, and 25 cents for third.

At 2 p.m. speeches will be delivered by the following speakers: Dr. J. B. Martyn, M. P., East Lambton; W. F. Gardes, M. P., West Lambton; W. F. MacDonald, district representative of agriculture; George Graham, president Lambton Corn Growers' Association; P. Sittler, county hydro representative; R. Fleck, ex-president County Corn Growers' Association; Peter Gardiner, president Farmers' Co-operative association; John Farrell, immigration agent; N. McDougall, public school inspector; T. C. Hart, director of co-operative and market, department of agriculture, and many others.

There will be many selections by local singers, assisted by the Alvinston Brass Band, Piper Donald Leitch and Gladys Comber, guitar player and dancer.

In the evening a grand concert will be given in the crystal palace by Harold Jarvis, pianist; Harold Leitch, piper; Gladys Comber, and the Alvinston Male Quartet. The proceeds of the concert will be given to the Red Cross Society.

LADY GETS "BACK FIRE."

RITHVEN, June 16.—Mrs. Wilson, daughter of the late James Wilson, met with a painful accident this week. She was in the act of cranking her automobile when it back-fired, the crank striking her on the right arm, breaking it between the wrist and elbow.

Back Was Lame and Ached; Could Do Very Little Work

Suffered Much From Kidney Disease for Years, But Cure Came With the Use of Dr. Chase's Kidney-Liver Pills.

Doctors had tried to cure this man but failed to get at the cause of trouble, probably because they relied on medicines which act on the kidneys only. The strong feature about Dr. Chase's Kidney-Liver Pills is their combined action on liver, kidneys and bowels. In many of these cases the disease is so complicated that ordinary kidney medicines fail to be of much benefit. Under such conditions Dr. Chase's Kidney-Liver Pills usually touch the spot and effect a cure.

Had they been only moderately successful Dr. Chase would never have selected them for world-wide distribution. As it was, the demand for these pills resulted naturally from their superior merit, and there was nothing else to do but supply them in large quantities.

Mr. Simon Shieloff, Birchbrook Orchards, Birchbrook, B. C., writes:

"For several years I suffered greatly from kidney disease. I was weak and could do very little work. My back was lame and ached and I suffered much from headaches. Tried many doctors and obtained no relief. Dr. Chase's Kidney-Liver Pills were recommended by a friend, and after taking four boxes I think I can say that I am cured, for I feel as well as I ever did."

This statement is endorsed by Mr. Harry Anderson, J. P., who writes: "This is to certify that I am personally acquainted with Mr. Simon Shieloff, and believe his statement in regard to Dr. Chase's Kidney-Liver Pills to be true and correct."

Dr. Chase's Kidney-Liver Pills, one pill a dose, 25 cents a box, all dealers, or Edmondson, Bates & Co., Limited, Toronto.

## THREE SONS OF CHATHAM CLERGYMAN ALL GIVE THEIR SERVICES TO COUNTRY

The eldest son who is with the artillery is Marmaduke Pritchard Pearson. The second son, now with Toronto University Base Hospital is Lester Bowles Pearson. The third son is Vaughn Whittier Pearson.

CHATHAM, June 16.—Few families in Canada have exhibited the patriotic spirit of that of Rev. Edwin A. Pearson, B. A., minister of Park Street Methodist Church here, whose three sons have given their services to their country.

The eldest son, Marmaduke, enlisted from Victoria College, Toronto, in March, 1915, with the 5th Battery Canadian Field Artillery, receiving his B. A. degree in May, crossing to England in August, to France in January, and is now a signaller in the line in Belgium. The second son, Lester, had just completed his second year at Victoria College, leading each year in the department of modern history, when he joined the ranks of the Toronto University Base Hospital, now at Saloniki in Greece. The third boy, Vaughn, not yet eighteen years of age, in his first year at Victoria and prominent in athletics, has enlisted with the 67th University Battery.

The father, Rev. Edwin A. Pearson, is a son of the late Marmaduke Pearson, who was for many years a prominent minister of the Methodist Church. He was born in the town of Uxbridge. He attended Ottawa Collegiate Institute and Napawan High School, eventually graduating from Toronto University. Mr. Pearson entered the ministry while his father was stationed at George Street Church, Peterboro, receiving his ordination in 1902.

## JACK WINSTON WINS CHASE AT OTTAWA MEET

Track Sloppy and Four Reversals in Order on Second Day of Meet.

OTTAWA, June 16.—Notwithstanding the fact that a steady downpour of rain continued throughout the day there was a good attendance at Connaught Park this afternoon for the second program at the spring meeting. The track was very sloppy and form reversals in order. Jockey Brown was suspended for the meeting for rough riding on Mona G., winner of the first race. Pardon's win in the last race was one of the big surprises of the day, though four players were hard hit when Paymaster stopped up after outstripping his field in the first half of the fourth race. Jack Winston won the steeplechase.

First race, 3-year-olds and up, selling, foaled in Canada, 1 mile—Mona G., 101 (Brown), \$15.50, \$3.10, \$4.40, 1; Gertley, 115 (Varrington), \$2.70, \$2.60, 2; Harry Bassett, 11, 107 (Byrne), \$11.50, 3. Time 1:42 1-5. Kathleen H. Corn Broom, Old Pop, Ravenscroft ran. Second race, 2-year-olds, maidens, 5 furlongs—Kingfisher, 114 (Byrne), \$5.40, \$3.20, \$2.40, 1; Lynette, 111 (Rice), \$5.30, \$2.30, 2; Wall Street, 111 (Jones), \$3.10, 3. Time 1:28 1-5. Tyvone, Sleepy Sam, Old Miss, Baigh, Early ran. Third race, 4-year-olds and upward, maiden steeplechase, short course, about 2 miles—Jack Winston, 123 (Allen), \$4.90, \$2.50, \$2.50, 1; Charles F. Grainger, 135 (Russell), \$2.50, \$2.80, 2; Cheyenne, 132 (Brooks), \$3.10, 3. Time 4:15 2-5. Queen's Own, Dan's ran. Fourth race, 3-year-olds and upward, selling, 1 mile and 70 yards—Broome-ridge, 111 (McAtee), \$21.30, \$8.10, \$4.10, 1; Ask Me, 111 (Wolstenholme), \$2.10, \$2.50, 2; Louis Travers, 106 (Mountain), \$4.10, 3. Time 1:58 1-5. Paymaster, Aftersaw ran. Fifth race, 3-year-olds and upward, selling, 6 furlongs—Euterpe, 109 (Denison), \$5.30, \$2.50, 1; Costumer, 109 (Darrington), \$8.10, \$3.40, 2; Dick's Pet, 109 (Byrne), \$3.30, 3. Time 1:22 2-5. Semper Stalwart, Perpetual, Orontide, Pampinea ran. Sixth race, 3-year-olds and upward, selling, 6 furlongs—Astrolager, 117 (Warrington), \$9.20, \$4.40, \$3.20, 1; Mayme W., 101 (Wolstenholme), \$6.30, \$3.50, 2; Lily Orme, 112 (McKenzie), \$2.90, 3. Time 1:32 1-5. Gentewoman, Viley, Lady Spendthrift, Wavering ran. Seventh race, selling, 4-year-olds and upward, 1 1/16 miles—Pardon, 112 (Wolstenholme), \$2.40, \$1.30, \$7.20, 1; Miss Waters, 108 (Smyth), \$15, \$5.40, 2; Mr. Mack, 115 (Mott), \$4, 3. Time 4:02. Jabot, Harold, Servitude and The Usher ran.

At Kansas City, R.H.E. 100 600 000-2-3 10 7. Fred Snell was chairman for the day. An excellent program of sports was held, and the following prizes given: Youngest baby (8 months), Mrs. John Hammond; oldest gentleman, Wm. Stover, Norwich, 80 years; oldest lady, Mrs. W. H. Stover, Norwich, aged 74; boys' race, under 7, R. Hammond; boys' race, under 12, Ralph Palmer; girls' race, under 10, Wilda Lancaster; married ladies, Mrs. A. Stover; kicking football, Mrs. C. Smith; young men's race, Morris Barker; married men, P. Snell; baseball throwing, G. C. Snell.

The annual meeting was held and the following committees and officers elected: Chairman, Albert De Long; managing committee, Mr. and Mrs. Hamner and Mr. and Mrs. H. Buck; sports, Mr. and Mrs. Fred Snell and Mr. and Mrs. Albert Stover.

The next picnic will be held at the home of Mr. and Mrs. W. Hamner of Norwich.

## GERMANY SEEKING TO GET CONTROL OF TURK MISSIONS

Teutons Want To Ban French and Italian Catholic Workers.

[Special to The Advertiser.]

Hamilton, June 17.—The biggest flowing natural gas well that has yet been encountered in the Tilbury district has just been struck by the Southern Ontario Gas Company, Limited. The well is on recently acquired property in Raleigh Township, and has a flow of 13,500,000 feet a day. This is a record. Wells in that district have been producing from 200,000 to 5,000,000 feet a day, but few of them have exceeded the latter flow.

No Playing Out.

"Woodstock, Ingersoll, Brantford, Galt and many other places in the Western Ontario field will be interested in the announcement," said F. E. Tomb, superintendent of the lands department of the company. "The new well is located in the Tilbury district, which has been developed on a large scale and the quantity of the flow should dispose of the rumors that the natural gas fields in this part of the country are playing out."

News of the increased production is of considerable interest to Hamilton, as the Southern Ontario Gas Company supplies the Manufacturers' Natural Gas Company, which looks after the wants of Hamilton manufacturers. Millions of feet daily are consumed by the big industries, especially the Steel Plant of Canada. Last year, however, for a time during the severe weather the company, because of the inadequate supply, was forced to ask some of the manufacturers to curtail their use of gas.

Manufacturers in Hamilton, Brantford, Galt, Woodstock and Ingersoll, can rest assured now," said Mr. Tomb, "that there will be plenty of gas this coming winter."

It is understood that the company will drill some number of new wells during the summer and autumn months.

## DYNAMITE EXPLOSIONS EXCITE BORDER PEOPLE

But It Was an Officer Destroying Cache Found in Ford.

WINDSOR, June 16.—Unable to find evidence that the dynamite discovered at the factory of the Chalmers Motor Company in Ford late Thursday night had been placed there since Leifer and Charles Respa were sentenced for conspiracy to blow up buildings in border towns, provincial officers destroyed the explosive today.

Provincial Constable J. P. Smith made targets of the dynamite, at which he fired shots from a military rifle. The explosions plowed up the ground and made great holes from three to six feet deep, as well as causing citizens of Ford, Walkerville and east side of Windsor some concern.

A few minutes after the blasts police lines at the police station were kept busy by anxious inquirers, who wanted to know "what building had been blown up."

BETHEL SOCIAL FOR RED CROSS.

APPIN, June 16.—The Red Cross organization of Bethel held a lawn social on the spacious grounds at D. E. McAlpine's home last evening. A pleasant program was given, the entertainers consisting of Mr. McCutcheon of London, Miss Pierce, Strathroy, the Melbourne Orchestra and other musical talent. The proceeds amounted to \$200. The treasurer hopes to report \$100 for Red Cross work when all expenses are paid.

BRING BIG LOG RAFT.

SARNIA, June 16.—The tugs Fischer and James Reid are on their way down the lake with a raft of five million feet of logs for the Cleveland mills. This raft will be followed by as many more as can be brought down, a probable total of twenty-five million feet. The mill has yet about one month's cutting in the bay here to work on until the new raft arrives.

TO ERECT A MONUMENT TO KITCHENER'S MEMORY

LONDON, June 17.—5:08 a.m.—Premier Asquith next Wednesday will offer in the House of Commons a motion for the erection of a monument to the late Field Marshal Earl Kitchener.

[Special to The Advertiser.]

WOODSTOCK, June 16.—Gen. Mercer's brother, a teacher in the Collegiate Institute here, received the following cable message today: "British Records Office, London.—Major-Gen. Mercer, reported missing, now reported killed in action. Gen. Mercer was reported missing after the German drive against the Canadians at Ypres. He and Gen. Williams were inspecting the front-line trenches when the attack began. Gen. Williams is reported to be a prisoner."

## HOPGOOD'S RINK WINS ASSOCIATION TROPHY AT ESSEX TOURNEY

Defeats Wilson's Quartet for the Second Trophy.

## ABERDEEN GAMES PUT OFF

Brett and Barber Will Play Off for Premier Trophy at Later Date.

ESSEX, June 16.—Results on the second day of the bowling tournament at Essex are as follows:

## ABERDEEN TROPHY.

Semi-Finals.

Brett 13; Walker 9.

Barber 17; Anderson 13.

Finals.

Brett and Barber, both of Essex will play off finals later on the grounds being wet to wet to finish the game.
