As can be seen by the reductions, we mean business when we make this announcement. We have too many coats—quite a number too many—and they must be cleared out. Mild weather—unusually mild weather in the East—left manufacturers with large stocks that had to be turned into money. We were in the market at this time. Tempted by the wonderfully low prices, we bought, and bought too heavily. Now we must clear out our stock of coats; they must be turned into money. In making the reductions, the cost of the garment has not been considered; we have marked them at prices that will move them out—and quickly.

All Kinds and Styles, All Colors and all New Goods

These coats are all this season's goods—in fact, many of them are lines that have only been in stock a short time. They are not goods made to sell at special sales, but the garments that we carry are regularly made by the best Canadian and foreign makers, and we don't carry any inferior grades. It seems a shame to sell perfectly tailored coats that were \$20.00 at \$5.00. It seems ridiculous—in fact it is ridiculous to sell model garments that were \$45.00, and in some cases more, for \$13.75, but our loss is to your profit if you take advantage of this sale.

Friday Sale of Fit-Rite Suits

\$18.50, \$20.00 and \$22.50 Suits Will Sell for \$13.75

A sale of Fit-Rite Suits. This announcement in itself is enough to draw a crowd, but better still a sale of these suits at a big saving, that makes it doubly interesting. Fit-Rite Clothing has a reputation, the right kind of a reputation, one that stands for nothing but the best, the best fit, the best style, and the best workmanship. Most men know this; we merely repeat it for the benefit of those who do not.

There are 75 suits in this lot; they represent everything that is new in style and cut, being just from the manufacturer. They are in both single and double breasted style, the single-breasted effect prevailing. In the matter of cloths they excel in particular, not before this season have we had such a handsome lot of patterns and all the newest shades are shown. One of these suits would be a valuable addition to any man's wardrobe, regular \$18.50 to \$22.50. Friday
