## NEW ENGINE COMPANY

Acadia Stationary Engines Limited, is an Offshot of Parent Company

HALIFAX, August 31—The Acadia Stationary Engines, Limited, is a company that has been organized at Bridgewater to carry on the manufacture of stationary engines. The capitalists who are at the back of this enterprise are the same group who are interested in Acadia Gas Engines, Limited, Bridgewater. They have purchased the goodwill and organization from the latter company and are building a plant to proceed with the work. In payment the company gave to the parent concern common stock, retaining for itself the proceeds of the preferred shares. These preferred shares have all been taken up none being on the market. The price was fixed at 100 per cent and with them went 30 per cent of common. The capitalization is \$100,000 of preferred and \$50,000 of common, of which \$50,000 and \$50,000 respectively have issued. The directors are W. T. Ritcey, Bridgewater; William Duff, M. P., Lunenburg; G. A. Hobbles, Bridgewater; R. W. Elliott, Halifax.

Strike and Stretch, Heave and Bend

Atlantic Underwear makes friends with men of action because it stands the strain of the heaviest work.

The long, fine sea-breeze toughened wool of the Maritime sheep gives to Atlantic its strength, warmth and wear resisting qualities.

Zero weather gives no qualms to the man clad in Atlantic Underwear for it keeps him snug and warm, and absorbs the perspiration.

Sold in five different weights and qualities. Our lower-priced lines are not equal to the more expensive ones, but each is guaranteed to be the best value of its class. Compare them with others of like price and see for yourself.
