Those who love stories of adventure will find a volume to their taste in the "Life and Adventures of John Gladwyn Jebb," just published, and to which an introduction is furnished by Rider Haggard. The latter says that rarely, if ever, in this nineteenth century, has a man lived so strange and varied an existence as did Mr. Jebb. From the time that he came to manhood he was a wanderer; and how he survived the many perils of his daily life is certainly a mystery. . . . The strange and remarkable adventures of which we have an account in this volume were in Guatemala, Brazil, in our own far West with the Indians on the plains, in mining camps in Colorado and California, in Texas, in Cuba and Mexico, where occurred the search for Montezuma's, or rather Guatemoc's treasure, to which Mr. Haggard believes that Mr. Jebb held the key, but which through his death is now forever lost. The story is one of thrilling interest from beginning to end, the story of a born adventurer, unselfish, sanguine, romantic, of a man too mystical and poetic in his nature for this prosaic nineteenth century, but who, as a crusader or a knight errant, would have won distinguished success. The volume is a notable addition to the literature of adventure.
