## RECESSIONAL.

---

Unchanging God, our hearts we bow  
    To Thee in adoration pure,  
And know the grace that meets us now  
    Unto all ages shall endure ;  
That we change not vouchsafe us still  
    The LOVE that loves to work Thy Will.

Unchanging God, our frames of dust  
    Haste to that dust from whence they came,  
Yet for Thy grace we firmly trust,  
    Past, present, future, still the same ;  
That we change not vouchsafe us still  
    The LOVE that loves to work Thy will.

Unchanging God, great Three in One,  
    The Father, Son and Holy Ghost,  
Grant us, our day of service done,  
    Rich entrance to Thy Heavenly Host ;  
That we change not vouchsafe us still  
    The LOVE that loves to work Thy Will.

AMEN !
