

## HAMILTON ROSE SHOW.

THE exhibition held by the Hamilton Horticultural Society on June 21st, was a decided success. The display was first-class, the music excellent, the weather perfect and the attendance very good. In addition to the members several outside friends contributed fine specimens. Among the latter may be mentioned Mrs. Stuart, Inglewood; Mr. A. E. Alexander, Aberdeen Ave; Mr. Goodale, Asylum; Mr. Morgan, Florist; Dr. Russel, Asylum; Senator Sanford, Wesanford, and Mr. L. Woolverton, Grimsby.

The centre of the tent was occupied by a grand display of stove and greenhouse plants, among which were many magnificent specimens of hydrangeas, palms, pandanus, ferns, auracarias, clerodendrons, ficus, coleus, fuschias, oleanders, sedums and amaryllis, exhibited by Dr. Russel, R. A. Lucas, Thos. Horn, M. Skedden, A. Alexander, W. Hunt, gardener for Mr. John Stuart; and S. Aylett, gardener for Senator Sanford.

A very neat and clean collection of anthuriums, palms and other stove and greenhouse plants shown by E. G. Brown, florist, surrounded the orchestra in the rear, while the side tables were taken up by cut roses and herbaceous blooms, fruits and smaller pot plants. The following, in addition to above named, received special mention from the Judge, Mr. Roderick Cameron, of Niagara Falls Park.

The order of mention is according to position occupied by exhibits.
