

FIG. 2113. ONTARIO FRUIT EXHIBIT.

PAN-AMERICAN HORTICULTURE—III.

OUR EXHIBIT OF SMALL FRUITS.—On the 18th of July we found our Ontario Court beginning to fill up with fresh currants and gooseberries, which, combined with the cold storage apples already on the tables, made a most attractive collection. Credit is due to those persons who freely contributed to this exhibit, as for example, Mr. Arthur W. Peart of Burlington, who sent in a sample branch of each variety of currant he had in his collection as experimenter, and Mr. Stanley Spillett, Nantyr, for a collection of nineteen varieties of gooseberries, some of them mag-

nificent in size. Many of these the writer put up in glass bottles for a permanent exhibit throughout the season. Mr. E. B. Stevenson of Jordan Station, also sent in a fine collection of bottled strawberries, put up in kerosene.

The following is a list of some of the other exhibits and exhibitors, viz. :—

GOOSEBERRIES.—T. R. Merritt, Luther Dunn, Thos. Beatty, John Sexton, St. Catharines; and Jas. D. Strange, Moffat.

CUT FLOWERS FOR DISPLAY.—Morris Stone and Wellington, Fonthill; A. G. Hull & Son, St. Catharines.
