

# The Two BEST Spraying Solutions

## CAMPBELL'S NICO-SOAP

The King of Spraying Fluids, made of absolutely pure nicotine.

**Instantly Soluble**—Will not clog in the pumps.

**Very Economical**—One pound makes 40 to 60 gallons.

**Reliable and Efficacious**—Destroying Caterpillars, Tussock Moths, Brown Tail Moth, Gipsy Moth, Green and Black Aphis, Oyster Shell Bark Lice, San Jose Scale, Fire Worms on Cranberries, Insects on Roses.

Keep your Orchards clean and uninjured by spraying with **NICO-SOAP**, and reap a rich reward for your trouble.

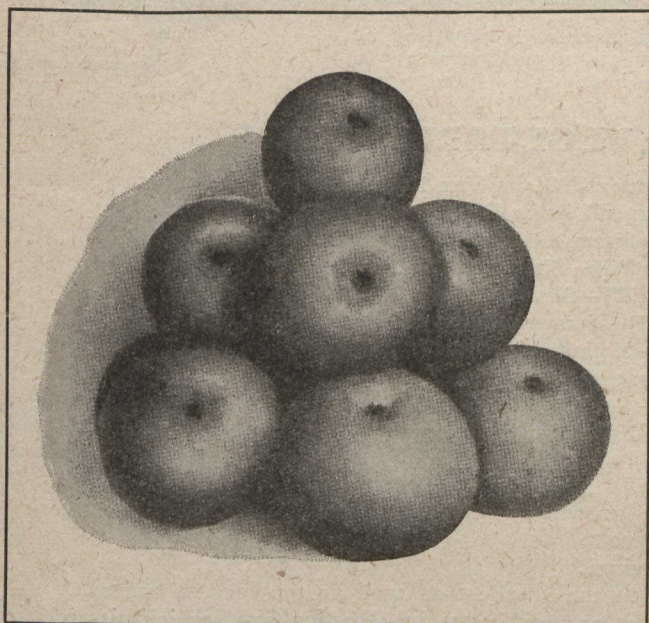

## CAMPBELL'S IMPROVED BORDEAUX MIXTURE

to prevent and cure Mildew, Blight Spots, and other diseases of fruit trees, potatoes and other crops.

**Instantly Soluble**—A 40 gallon cask can be prepared in a few minutes. Always the same quality. Vastly superior to any home-made article.

**Campbell's Improved Bordeaux Mixture** is compounded so as to form a glutinous substance which is so adhesive to foliage that it will not easily wash off. Its application to Potato Crops, Fruit Trees, etc., will materially improve their quality and increase their yield.
