VIEWS OF MARYLAND.—JOHNS HOPKINS HOSPITAL, BALTIMORE.

(Incorporated August 24th, 1867. Endowed by the Founder, Johns Hopkins, with \$3,500,000. Opened May 7, 1889. Johns Hopkins died Dec. 4th, 1873, aged 79. The grounds comprise 14½ acres, in the form of a square—four city blocks each way. On this same land is the Harriet Lane Home for the treatment of children. Henry Phipps has recently donated the money for a building to establish a Psychiatric Clinic at the hospital: approximate cost, \$750,000.)
