

**SUPPLEMENT**

**OUR TARIFF EDITION**

DEAR SIR,

For some time past we have at intervals, sent you specimen copies of THE CANADIAN MANUFACTURER with a view to informing you of the character of our journal, and in the hope that you would come to the conclusion that it would be a good thing to have in your office. Our paper has been going to you without charge; and we now request that you will instruct us to place your name on our regular subscription list, the cost to you being at the rate of \$1.00 per year.

You will observe by a full page notice in our paper that we intend to publish in full, and from official copies, the texts of the 1897 Canadian Tariff, the 1897 United States Tariff, and also the British Tariff and Merchandise Act, as soon as the Canadian and the United States Tariffs have become law, which will be, we think, at an early day.

If you will subscribe now kindly sign the accompanying order and return to us with One Dollar.

You will then receive in due course, and without further charge to you, a copy of our Special Tariff Edition, which will be worth much more than the subscription price for a full year.

Yours truly,

CANADIAN MANUFACTURER PUBLISHING CO., LIMITED,  
McKISSON BUILDING,
