SPECIALTIES.

STEARNS' WINE OF COD LIVER OIL WITH PEPTONATE OF IRON.

An entirely new and original preparation which contains 25 per cent. of pure Cod Liver Oil, as represented by its active principles and alkaloids. Modern investigation has proven that the value of Cod Liver Oil as a medicinal agent is not due simply to the fact of its being an oil, but to the valuable active principles which it contains. Each fluid ounce of the Wine contains four grains of PEPTONATE OF IRON, a readily assimilated and valuable form of Iron, it being partially predigested and free from styptic properties. In pounds, \$2.00 per dozen.

STEARNS' CASCARA AROMATIC. (THE ORIGINAL)

A fluid extract of prime and selected ten-year-old bark, which is sweet in taste instead of being bitter, as is the ordinary fluid extract, powerful yet gentle in effect, and in addition does not grip. An ideal laxative, prescribed by physicians everywhere. Price, \$1.20 per pound, not more in cost than ordinary bitter fluid extracts.

HÆMOFERRUM (BLOOD IRON)

A natural peptoid compound of Iron, specifically prepared from fresh bullock's blood. Soluble, of sweet odor, neutral in reaction. In Pills only. 100 Pills in a flask. \$3.00 per dozen flasks.

STEARNS' KOLA CORDIAL.

A new and valuable tonic stimulant. Heretofore all preparations of Kola have been more or less objectionable on account of their unpalatability, owing to a peculiar bitter, acrid principle which it possesses. This Cordial combines all the valuable constituents of Kola, without any of its objectionable features, and is most delicious to the taste, and efficient in action. Sold only in original bottles at \$2.00 per dozen.

STEARNS' INSTANT HEADACHE CURE

Is the best and most satisfactory preparation of the kind on the market. Sells on sight and makes customers wherever sold. \$1.50 per dozen. Kept in stock by all leading wholesale houses.

We will be pleased to mail samples of our Specialties to any druggist or physician, on request.
