

*Common ranges make the coal man smile.*

## Is your Coal Wasted or Used?

It is comparatively easy to build a range that will make a lot of heat, but it requires the exact science of Pandora range building to produce a range that will use all the heat in the coal without waste.

A common range may burn twice the coal that a Pandora will, and yet do only half the work.

If you use a Pandora range you can be certain that your coal money is not wasted, but used.
