

100% PURE

IT is our proudest boast that every article carrying the well-known "E.D.S." Trade Mark is absolutely pure, no coloring matter or preservatives of any kind being used. But don't accept our unsupported statement. Send to the Department of Inland Revenue for Bulletin 194 which tells how

"E.D.S." BRAND GOODS

under the most exhaustive tests, have proved to be of unvarying purity.

Here are a few "E.D.S." leading lines which all good grocers handle:
