DR. A. WILFORD HALL'S HEALTH PAMPHLET.
Health Without Medicine.

Read the Following Testimonial:

"DEAR SIR, - I was among the very first to order Dr. Hall's Health Pamphlet on seeing its announcement in the MICROSCOP. I was then in Washington City, and proceeded immediately to put the new treatment into practice personally and with others, more especially to test its physiological and therapeutical effects. I have become so well convinced of its value for the alleviation of many forms of disease, such as dyspepsia, lung troubles, constipation, kidney derangements, and in fact all forms of disease which have their origin in an impure state of the circulation, that I am ready to give it my unqualified indorsement as a potent adjuvant in the treatment of such cases."
Jas. F. Dantier, M.D., late of Toronto, now of Fresno, Cal.
