I don't miss my church so much as you suppose,' said a lady to her minister, who had called upon her during her illness, 'for I make Betsey ait up by the window as soon as the bells begin to chime, and tell me who are going to church, and whether they have got anything new.'

A PERPETUAL DELIGHT .- " Flowers have their time to fade," says a favorite poet; but in MURRAY & LANMAN'S FLURIDA WATER their sweetness is made perpetual. The odor of other toilet waters become faint and insipid after a brief exposure to the sir. It is not so with this exquisite floral preparation. Its perfume is fixed and permanent. Hang a hand-kerchief that has been moistened with it in the breeze for days, and the aroms will be as delicate and refreshing at the end of the time as if the fluid had just fallen upon its threads. This is not the case with any foreign extract, nor with any other American

WHAT IS YOUR AILMENT ? - A hundred varieties of disease may be traced to the stomach. For each and all of them, common sense suggests that the medicine which restore that organ to its full vigor, is the true remedy. If common sense demands what that remedy is experience answers, BRISTOL'S SUGAR-COATED P.LLS. Cathartics are plenty, but nine-tenths of them give only temporary relief, and many are dangerous. It is better to let dyspepsia have its way, than to attempt its cure with mercury. The so-called remedy will destroy the patient more rapidly than the disease. Not so BRISTOD'S SUGAR-COATED PILLS, which owe their efficacy solely to vegetable extracts. The New York Tribune says, 'the reason why Drake's Plantation Bitters are so universally used and have such an immense sale, is that they are always made up to the original standard, of highly invigorating material and of pure quality, although the prices have so largely advanced," &c. The *Tribune* just hits the nail on the head. The

Plantation Bitters are not only made of pure material, but the people are told what it is. The Recipe is published around each Bottle, and the bottles are not reduced in size. At least twenty imitations and counterfeits have sprung up. They impose upon the people once and that's the last of them.

The Plantation Bitters are now used in all the Government Hospitals, are recommended by the best physicians, and are warranted to produce an immediate beneficial effect. Facts are stubborn things. "... I owe much to you, for I verily believe the Plantation Bitters have saved my life.

REV. W. H. WAGGONER, Madrid, N. Y."

"... Thou wilt send me two bottles more of thy Plantation Bitters. My wife has been greatly benefited by their use.

NEW BEDFORD, Mass., Nov. 24, 1863. Dear Sir:—I have been afflicted many years with severe prostrating cramps in my limbs, cold feet and hands, and a general disordered system. Physicians and medicine failed to relieve me. Some friends in New York, who were using Plantation Bitters, prevailed upon me to try them. I commenced with a small wine-glassful after dinner. Feeling better by degrees, in a few days I was astonished to find the coldness and cramps had entirely left me, and I could sleep the night through, which I had not done for years. I feel like another being. My appetite and strength have also greatly improved by the use of the Plantation Bitters .- Respectfully,

JUDITH RUSSEL." If the ladies but knew what thousands of them are constantly relating to us, we candidly believe one rienced by them would vanish. James Marsh, Esq. of 159 West 14th Street, N.Y. says, 'he has three children, the first two are weak and puny, his wife having been unable to nurse or attend them, but that she has taken Plantation Bitters for the last two years, and has a child now eighteen months old which she has nursed and reared herself, and both are hearty, saucy and well. The article is invaluable to mothers," &c.

Such evidence might be continued for a volume. The best evidence is to try them. They speak for themselves. Persons of sedentary habits troubled with weakness, lassitude, palpitation of the heart, lack of appetite, distress after eating, torpid liver, constipation, diabetes, &c., will find speedy relief through these Bitters.

Every bottle for exportation and sale out of the United States has a metal cap and green label around the neck.

Beware of refilled bottles. See that the cap has not been mutilated. Any person pretending to sell Plantation Bitters in bulk or by the gallon is an impostor. We sell it only in bottles. Sold by principal dealers throughout the habitable
