

A DANISH LEGEND.—A recent traveller in Denmark relates the following legend relative to the ramparts of Copenhagen:—Concerning the construction of these ramparts, there is told a story so horrible, I can hardly give credit to its truth; but the Danes themselves relate it. It appears that the earth crumbled down, giving way as fast as the workmen built it up. The engineers themselves were at fault, so they determined to consult a wise woman, who declared the mounds would always continue sinking unless a living child was buried underneath. So they prepared a recess of brick-work under the ramparts, and decorated it gaily with evergreens and flowers, and placed therein a little table and chairs, with toys, and dolls, and sweetmeats, and a tree lighted with many little tapers; and having enticed a little girl of five years old, they clothed her in new garments, and brought her to the tower, accompanied by a band of music; and while the child, in her delight, played with the dolls and toys, the masons quickly closed up the aperture with solid brickwork, and shovelled the earth over it. From that time the ramparts sank no more.—Jutland and the Danish Isles.

'Daddy, I want to ask you a question.' 'Well my son! Why is neighbour Smith's liquor-shop like a counterfeiter's?' 'I can't tell my son.' 'Because you can't pass it,' said the boy.

'Have you been much at sea?' 'Why, no, not exactly; but my brother married a commodore's daughter.' 'Were you ever abroad?' 'No, not exactly, but my mother's maiden name was French.'

DELUSION.—A captain of a rifle company was guilty of an unheard-of barbarity on one very cold day recently. He actually marched his men to the very brink of the canal, and then coolly commanded them to 'fall in.'

REMARKABLE LAKES.—On the top of a ridge of mountains in Portugal, called Estrela, are two lakes of great extent and depth, especially one of them, which is said to be unfathomable. What is chiefly remarkable in them, is that they are calm when the sea is calm, and rough when that is stormy. It is therefore, probable that they have a subterranean communication with the ocean; and this seems to be confirmed by pieces of ships they throw up, though almost forty miles from the sea.

There is another extraordinary lake in this country, which, before a storm, is said to make a frightful rumbling noise, that may be heard at a distance of several miles.

And we are told of a pool or fountain, called 'Fervencia,' about thirty-four miles from Coimbra, that absorbs not only wood, but the slightest bodies thrown into it, such as cork, straw, feathers, &c., which sink and are never seen again.

A CARD FOR THE DRESSING ROOM.—Ladies, your attention is invited to the special advantages of MURRAY & LANMAN'S FLORIDA WATER over every other perfume. It is manufactured from fresh floral extracts, not from unwholesome chemical combinations intended to counterfeit their odors. Besides being the most delicate and delightful of floral water, it has important sanitary recommendations. Its aroma relieves headache, prevents fainting fits, promotes sleep, and soothes the nerves. Infused into the bath, it renders it more invigorating and refreshing. Combined with water, it imparts whiteness to the teeth, preserves the enamel, and renders the gums hard and rosy. No other toilet-water retains its fragrance so long after contact with the atmosphere.

Purchasers are requested to see that the words "Florida Water, Murray & Lanman, No. 69 Water Street, New York," are stamped in the glass on each bottle. Without this none is genuine. Agents for Montreal:—Devins & Bolton, Lamplough & Campbell, Davidson & Co., K. Campbell & Co., J. Gardner, J. A. Harte, Picault & Son, H. R. Gray, J. Goulden, R. S. THE FLORENCE NIGHTINGALE OF THE NURSERY.

The following is an extract from a letter written by the Rev. C. Z. Weizer, to the German Reformed Messenger, at Chambersburg, Penn.:—

Just open the door for her, and Mrs. Winslow will prove the American Florence Nightingale of the Nursery. Of this we are so sure, that we will teach our 'Susy' to say, 'A Blessing on Mrs. Winslow for helping her to survive and escape the griping colicking, and teething siege. We confirm every word set forth in the Prospectus. It performs precisely what it professes to perform, every part of it—nothing less. Away with your 'Oordial,' 'Paregoric,' 'Drops,' 'Laudanum,' and every other 'Narcotic,' by which the babe is drugged into stupidity and rendered dull and idiotic for life.

We have never seen Mrs. Winslow—know her only through the preparation of her 'Soothing Syrup for Children Teething.' If we had the power, we would make her, as she is, a physical saviour to the Infant Race. 25 cents a bottle. Sold by all Druggists.

Be sure and call for "MRS. WINSLOW'S SOOTHING SYRUP." All others are base and dangerous imitations. February, 1867. 2m

TROPICAL SKIN DISEASES.—In hot climates the skin is stimulated to excessive action, and an almost infinite variety of cutaneous and dermal distempers are the result. Prurigo, or constant external itching, without much apparent inflammation, spotted eruptions, pustulous pimples, pemphigus, or water pimples, Roseola or false measles, crusted tetter, and rashes of almost every shade, from light pink to the deepest crimson, may be mentioned among the number. These, with all other external eruptions caused by heat, are safely and speedily removed by BRISTOL'S SARSAPARILLA, the most wholesome of all vegetable detergents. In all skin diseases, the bowels should be kept laxative by using BRISTOL'S VEGETABLE PILLS at same time as the Sarsaparilla. 312 Agents for Montreal, Devins & Bolton, Lamplough & Campbell, Davidson & Co., K. Campbell & Co., J. Gardner, J. A. Harte, H. R. Gray Picault & Son, J. Goulden, R. S. Latham and all Dealers in Medicine.

INDIGESTION, OR DYSPEPSIA, is a disease born of the luxury of civilization. The savage is exempt from its torments, they are the penalty exacted by nature for over-indulgence. The rules for treating the complaint are simple, and apply to all cases. Keep the bowels open, renew the lost tone and vigor of the stomach, and regulate the action of the liver, and the cure is wrought. Now come the anxious questions of the sufferer: How shall this be accomplished? Where is the medicine possessing the necessary searching, strengthening, corrective power over these organs, to be found? Dyspeptics, on this subject you have decisive testimony, from our most respectable physicians. Dr. Wells, of Thirty-first street, New York city, a graduate of the Dublin University, says: 'For eighteen months I have used BRISTOL'S SUGAR COATED PILLS as an alterative and tonic, and consider them the most reliable medicine we have for dyspepsia, indigestion, and all derangements of the stomach, liver, and bowels.' Dr. L. Mills, of Sixteenth street, New York, Dr. Elias Mott, of Court street, Brooklyn, and Dr. Parker Nelson, of the Clinical Institute, Philadelphia, recommend the Pills with equal earnestness.

They are put up in glass vials, and will keep in any climate. In all cases arising from, or aggravated by impure blood, BRISTOL'S SARSAPARILLA should be used in connection with the Pills. 425 J. F. This long tested and unrivalled Family Medicine has been favorably known for about thirty years, during which time we have received thousands of testimonials proving it to be an almost never failing remedy for the above named complaints. It has been tested in every variety of climate and in almost every known portion of the globe. The missionary, the sailor and the soldier find it an inestimable friend, and the millions of bottles sold yearly are its best and strongest recommendation.

The great reputation the Pain Killer has won for itself has induced others to imitate and counterfeit it to a great extent. We should caution all purchasers against these imitations either in name or style of putting up such as Pain Destroyers, Pain Relievers, Pain Kings, Pain Remedy, &c., &c. Country Merchants and Druggists purchase these worthless preparations for one half the price of the genuine Pain Killer, yet charge the public the same as for the genuine, hence their object in urging these worthless preparations on the public.

Send for a Pain Killer Almanac and Receipt Book for 1867 gotten up with the greatest care and contains, aside from numerous testimonials, &c., of the Pain Killer, a very valuable collection of Domestic Receipts. The Pain Killer is sold everywhere by all Druggists and Country Store-keepers. 25¢ PRIOR, 15¢ etc., 25¢ etc. and 50¢ etc. per bottle. AGUA DE MAGNOLIA.—The prettiest thing, the "sweetest thing," and the most of it for the least money. It overcomes the odor of perspiration; softens and adds delicacy to the skin; it is a delightful perfume; it allays headache and inflammation, and is a necessary companion in the sick room, in the nursery and upon the toilet sideboard. It can be obtained everywhere at one dollar per bottle. SARATOGA SPRING WATER, sold by all Druggists.

S. T.—1860.—X.—The amount of Plantation Bitters sold in one year is something startling.—They would fill Broadway six feet high, from the Park to 4th street. Drake's manufactory is one of the institutions of New York. It is said that Drake painted all the rocks in the Eastern States with his cabinet "S. T.—1860.—X." and then got the old grumpy legislators to pass a law "preventing disfiguring the face of nature," which gives him a monopoly. We do not know how this is, but we do know the Plantation Bitters sell as no other article ever did. They are used by all classes of the community, and are dearth on Dyspepsia—certain. They are very invigorating when languid and weak, and a great appetizer. SARATOGA SPRING WATER, sold by all Druggists.

"In lifting the kettle from the fire I scalded myself very severely—one hand almost to a crisp. The torture was unbearable. The Mexican Mustang Linctum relieved the pain almost immediately. It healed rapidly, and left very little scar." CHAS. FOSTER, 420 Broad St., Philadelphia.

This is merely a sample of what the Mustang Linctum will do. It is invaluable in all cases of wounds, swellings, sprains, cuts, bruises, sprains, etc., either upon man or beast. Beware of counterfeits. None is genuine unless wrapped in fine steel-plate engravings, bearing the signatures of G. W. Westbrook, Chemist, and the private stamp of DEMAS BARNES & Co., New York. SARATOGA SPRING WATER, sold by all Druggists.

WEAT DID I?—A young lady, returning to her country home after a sojourn of a few months in New York, was hardly recognized by her friends. In place of a rustic, flushed face, she had a soft, rosy complexion, of almost marble smoothness; and instead of 22, she really appeared but 17. She told them plainly she used Hagan's Magnolia Balm, and would not be without it. Any lady can improve her personal appearance very much by using this article. It can be ordered of any druggist for only 50 cents. SARATOGA SPRING WATER, sold by all Druggists.

Heimstreet's inimitable Hair Coloring has been steadily growing in favor for over twenty years. It acts upon the absorbents at the roots of the hair, and changes it to its original color by degrees. All instantaneous dyes deaden and injure the hair. Heimstreet's is not a dye, but is certain in its results, promotes its growth, and is a beautiful Hair Dressing. Price 50 cents and 5¢. Sold by all dealers. SARATOGA SPRING WATER, sold by all Druggists.

LYON'S EXTRACT OF PURE JAMAICA GINGER—for Indigestion, Nausea, Heartburn, Sick Headache, Cholera Morbus, &c., where a warming is required.
