They Help

Each other. Grocers and general store-keepers will find a profitable adjunct to their business in a line of our celebrated cigars. Once get a customer into the way of dropping in for a good cigar and you'll be surprised at the result. He comes in to buy only groceries and one of our fragrant LA CADENAS may catch his eye. He comes in for one of those satisfactory LA FLORAS to smoke on his way to the office and some new arrival in groceries tempts him into a purchase. See how it works? Profit both ways.

He may make a selection from other and less expensive brands such as

EL PADRE
MAORE E'HIJO
CABLE EXTRA

MUNGO

All of which sell well.

Mercantile Summary.

THE Sherbrooke, Que., city council has passed a by-law closing all stores in the city three nights of each week at seven o'clock. There are doubts as to the legality of the by-law, and there is a disposition to test it in the courts.

FAILURES in the Province of Quebec are much less numerous than a few weeks ago. For the week we note the following: At La Presentation, Gonzague Geasson, for 25 years a hotel-keeper and trader, and once well off, has had to assign. Business has been poor of late, and he has run behind.—P. H. Durocher, the Hull grocer, whose assignment we have noted, is offering his creditors 40 cents cash. The ordinary liabilities are \$17,039, privileged \$1,198, and mortgage \$1,668.—F. N. Corriveau, general dealer at Fulford, is endeavoring to arrange at 25 cents on the dollar.—Pierre Beliveau, storekeeper for some years at St. Gabriel de Brandon, has assigned to the court. Originally a farmer, he lacked the education and ability necessary to success.—The same little village furnishes a second failure, Adolphe Michaud, a storekeeper of some 12 or 15 years' standing, whose creditors had a meeting last week, at which he proposed to pay 50 cents on the dollar, secured. The liabilities are pretty large for a country failure, being, direct \$17,560, indirect \$7,645, mortgage \$2,860. Apparent assets are put at \$19,786.—A. Loupin, formerly a navigator, and who has been keeping store for some few years without much success, is reported seeking an extension.
