The Whole World Is Only Half The Story.

Hongkong Bank of Canada is part of a financial organization that has over 3000 offices in 66 countries. And with over 100 branches across Canada, that makes us a member of one of the largest financial institutions in the world.

A comforting thought, but it's only half the story. If you're a manufacturer of coat hangers in Hamilton Ontario, does it really matter that your bank has a branch in Kuala Lumpur?

We like to think that it does.

As a global bank with a Canadian focus, our wider perspective comes with a weight of expertise that can be profitably applied on your behalf. Expertise in Trade Finance, Commercial Savings & Loans, Credit, Payroll and Cash Management. Expertise in *every* level of Canadian business. And who knows, if one day your company sets its sights on overseas expansion, it's nice to know that your local bank has a direct connection to virtually anywhere on Earth.

After all, people need something to hang their coats on in Kuala Lumpur too.

Over 100 branches across Canada to serve you.
