

GATT DISPUTE SETTLEMENT ACTIONS INVOLVING CANADA

Canada is currently involved in seeking redress for foreign practices under GATT dispute settlement procedures on the following items:

1. Softwood Lumber
2. Customs Users' Fees
3. US Superfund
4. Seals
5. US Restrictions on Sugar Containing Products

Canada is the object of complaint under GATT dispute settlement procedures on the following issues:

6. Liquor Boards
7. EC Complaint against Canada on Canadian Countervailing Duties on Boneless Manufacturing Beef
8. US Complaint on Canadian Export Restrictions on Salmon and Herring
9. US Complaint on Canada's Further Processing Requirements on Uranium
10. EC Complaint on Canadian Countervailing Duties on Pasta Imports

Canada is intervening on behalf of the complainants in the following GATT actions between other members of the GATT:

11. US Action against Japan on Quantitative Restrictions on Fish
12. US Action against Japanese Restrictions on Imports of Certain Agricultural Products
13. EC Action against Japan on Discriminatory Tax Practices Affecting Alcoholic Beverages
14. Consultations by 10 GATT Member Countries (including Canada) Regarding the Japan-US Semi-Conductor Agreement
