INDIAN AFFAIRS

SARNIA, ONT.—REPORTED THREAT TO DISPOSSESS
KENNETH PLAIN

On the orders of the day:

Hon. J. W. Pickersgill (Bonavista-Twillin-gate): Mr. Speaker, I wonder if I can ask the Minister of Citizenship and Immigration whether she has received any representations on behalf of Mr. Kenneth Plain, a locatee on the Sarnia Indian reserve, who is alleged to be threatened with dispossession from his land? If so, what action has the minister taken?

Hon. Ellen Fairclough (Minister of Citizenship and Immigration): Mr. Speaker, the matter has not come to my personal attention. It may be in the department. I shall make inquiries.

Mr. Pickersgill: Will the minister make inquiries and report to the house, because I am advised this dispossession of property is to take place in the very near future.

GRAIN

INQUIRY AS TO FINAL PAYMENTS FOR
1958-59 CROP

On the orders of the day:

Mr. Hazen Argue (Assiniboia): I should like to address a question to the Minister of Trade and Commerce. In view of the urgent need to supplement the incomes of western grain producers, is the minister in a position now to tell the house when the final payments on the 1958-59 crop year will be made, and the amount of such payment?

Hon. Gordon Churchill (Minister of Trade and Commerce): During the unavoidable absence of the hon. member for Assiniboia—

Mr. Argue: Successful absence.

Mr. Churchill:—this question was asked and answered. The payments should be made almost any day now.

Mr. Argue: A further supplementary question, Mr. Speaker. Since the minister has promised these payments within the first or second week of June, is he able to say more precisely now when the payments will be made?
