3. Don't you see, don't you see how much good it must do?
   Well we know that you would if in our place were you,
   For oh, who has forgotten his childhood's school-house,
   Where he sat all day long, just as still as a mouse.

4. Don't you think, don't you think that the best way to do,
   Is to study awhile then the motions go thro'?
   And we ask you to see when our pastime is done,
   That we all are more quiet for having the fun.
