**GERHARD HEINTZMAN**  
NEW  
SCALE **PIANOS.**

The pianos of Mr. Gerhard Heintzman have so long enjoyed the reputation of approximate tonal perfection that improvement might well seem impossible. Improvement has been accomplished, however, and after many costly experiments we are now able to announce the completion of a new scale by this master of tone production.

The musical beauties of this new scale piano cannot be adequately described in a brief advertisement, but we cordially invite correspondence, and will mail descriptive matter postpaid to any applicant.

It will be still better if you can make a personal call at 188 Yonge Street and *hear* this wonderful new creation.
