Brisk Business in All Classes Complete Stock by Nine a.m.

PRICES VERY FIRM

Outside Buyers Help to Keep Prices High and Sales Lively.

Receipts of live stock at the Union Stock Yards on Tuesday were 52 cars, 829 cattle, 736 hogs, 25 sheep and lambs and

Trade in all classes of cattle was brisk as all offerings were bought up shortly after 9 a.m. Quality considered prices were firm at Monday's values.

The outside buyers on the market on The outside buyers on the market on both days helped materially by causing sales to be made quickly, more so than on any previous week for some time past. Stockers and feeders were again in demand, so much so that those offered did not begin to supply the wants of the trade, and the prices were very firm. Only a moderate supply of milkers and springers were on sale, and as there were several outside buyers besides the regular dealers prices were very firm, reaching up to and over the century mark, and several who wanted cows had to go without a supply.

Veal caives, of which there was a light run (less than 200), were, if anything, still firmer, but not enough to change our

It will be readily seen that lambs an sheep were not any cheaper, when aware of the fact that the supply only numbered 25 all told. Hog values were no lower, as the delivery was light.

WILL TAKE HORSES INTO THE SHELTER

Work of Canadian Society for Prevention of Cruelty to Animals Will Expand.

At the last monthly meeting of the season of the Canadian Society for the Prevention of Cruelty to Animals Mrs. Durie, president, occupied the chair and gave most encouraging re-ports of the work of the shelter, 327 Albany avenue. The meeting was held at the home of Miss Agnew Brown, 76 Clarendon avenue, and was ver well attended. It is the aim of the society to undertake the shelter of horses next year, and to go further into the study of better protection for performing animals. To stop this particular form of cruelty to animals specific legislation will be required and it is the purpose of the society to work strenuously towards this end.

CHIROPRACTIC

Dr. Palmer twenty years ago, has been developed into the most modern art, and deals with the true cause of diseases in man. The theories of many men have been advanced, and failure to produce a specific for cancer or even chronic bronchitis is laid at the door of materia medica (medicine). Much has been done to relieve pain and deaden symptoms by the family physician—also removing refuse from the body by the surgeon's knife. But what caused the refuse or growth of abnormal tissue? Chiropractic philosophy has proven in thousands of cases here in Ontario, and especially Toronto, that operations merely remove effects; the cause still remains; and that the real cause is in the spine, where the nerve is pinched Dr. Palmer twenty years ago, has been remains; and that the real cause is in the spine, where the nerve is pinched by the bones (vertebrae) being slightly displaced. Poisonous drugs and serums are only a poor substitute for nature's secretions, manufactured by the glands throughout the body. Can your physician give you a real reason for the lack of glandular action in any part of your body? We claim it is because the nerve power is partly cut off by bone pressure in spine—nature's forces from the brain are obstructed. The competent Chiropractor who knows the body removes this obstruction scientifically and with no danger. We publish these facts through sense of duty to thousands of sufferers, who can regain health, just as the man did at the eleventh hour, who pays for this space. Chirohour, who pays for this space. Chiro practic is logic and backed up by prac tical results, and does not use any form of superstition, electricity—stimulation by massage—absolutely no drug dicta-tion to nature. We know disease exists, tion to nature. We know disease exists, know its true cause, and can correct it. We know germs exist, but they do Nature's work, are for a good purpose in the tissues. This science is growing in popular favor, and the graduate Chiropractor publishes the truth to enlighten the people who need health, and not deadly poison to deaden their pain. In summary, Chiropractic removes the cause of all diseases, acute or chronic, by adjustment of spine, allowing full flow of the body's nerve forces from brain to organs. Nature restores health, Send for explanatory book, "Disease and Its Master." Telephone appointment for consultation. PRACTOR CHATTOE, 316 BRUNSWICK, JUST NORTH BLOOR, TORONTO.

CHIROPRACTORS—The most successful CHIROPRACTORS—The most successful method, locating the cause of disease; those acquainted with the science will recognize the advantage of having the usual palpation by hand verified by the X-ray, free to patients; if you have tried other methods, and they have failed, try chiropractic; investigation costs nothing; will most likely be able to refer you to somebody nearby that has been helped that was as bad or worse than you; the only chiropractor's office in Canada having an X-ray equipment. Doctor George W. Doxsee, Palmer' graduate, Ryrie Building, Yonge street, corner Shuter. Lady attendant.
