TIMBER * LANDS FOR SALE

5000 Acres of Timber Lands on the Manitoulin Island,

Patented and unpatented, are offered at the Low Price of

\$5.00 PER ACRE.

Some of the lots have timber on them worth \$20 per acre, and the land is of fair quality for farming when cleared.

The Dominion Government having recently taken off the Export Duty on Telegraph Poles, Railway Ties, Shingle Bolts and Saw Logs, the value of the timber on the Island is doubled, owing to its great facilities for shipment to Detroit, Chicago, Toledo, Buffalo, Cleveland and all Lake ports. The late owners, Messrs. Wm. and Robert Henry, are both deceased, and there being no one to carry on their business, these lands will be sold low, in block to close out the estate. Tenders solicited and purchases liberally dealt with. All necessary information can be obtained from the trustee and Solicitors.
