Along the same lines as the foregoing sermon are these two books:

**Harmony of the Prophetic
Word.**

BY A. C. GAEBELEIN.

The name of the writer of this book is sufficient to commend it to all who are acquainted with his writings. As a Bible teacher he has few to equal him in America.

Price postpaid, - - 75 cents.

**The Bible and Modern
Criticism.**

BY SIR ROBERT ANDERSON, K. C. B., LL. D.,

"In these days of unrest, many Christians are distressed by doubts whether the Bible may be received with the settled and simple faith accorded to it in the past. It may be therefore that one who has known similar experiences, and is no stranger to such doubts, may be able in some measure to help others who are thus troubled."

Price postpaid - \$2.25.
