Butchers, as a rule, do not  
advertise, but the quality of  
what I have to sell, as well  
as the reasonable prices I

## Bell Pianos

Are made to stand criticism.

PROF. J. B. LABELLE, Organist Notre Dame  
Cathedral, Montreal, says:

"I received the magnificent piano of the Bell Co.  
which I ordered for my own personal use. I had been  
expecting a first class instrument, but the piano, which  
is a veritable jewel, surpasses all my hopes. It possesses  
a splendid quality of sound, rich, pure and melodious,  
with great evenness of the scale. The action is rapid,  
with great elasticity. I declare it an honor to Canada  
to possess a manufactory able to send out pianos like  
those of the Bell Co., which are unquestionably the best  
pianos made in Canada."

MADE AND GUARANTEED BY THE BEST  
MAKERS OF PIANOS IN CANADA..
