SYNOPSIS.

England can be worked on a London map very near the middle of "Fleet Street" or the spot shown in this scene. Within half a mile from this point some of the greatest newspapers in the world work and think for millions of readers. Every part of Fleet Street brings to mind some interesting memorials of the earlier history of London. Fleet Street might also be called the nursing mother of English Literature. Shakespeare, Ben Johnson, Raleigh, Dryden, Johnson, Goldsmith and countless names, brilliant even in brilliant times, are closely associated with this famous street.
