

# CASELL'S Coloured Historical Cartoons.

(Size, 45 in. by 35 in.)

MESSRS. CASELL & COMPANY have much pleasure in announcing that they have prepared an entirely New and Original Series of Coloured Historical Cartoons.

These beautiful Plates have been drawn by Mr. HERBERT A. BONE, the designer to the Royal Windsor Tapestry Works, from original designs by leading Artists.

In addition to pictorial effect and design, it has been the aim of the artist to reproduce with the greatest possible accuracy all the details, whether of Dress, Feature, or Surroundings, which Historical Research has enabled him to portray.

It is believed that the Series cannot fail to be acceptable to all Educationists, both for School and Home Use, at a time when the cultivation of the mind through the medium of the eye is daily receiving greater attention:

The following subjects have already been selected :—

“The Jubilee of Queen Victoria.”

“Cromwell Dissolving the Long Parliament.”

“The Meeting of Wellington and Blucher at ‘La Belle Alliance’ after Waterloo.” By E. BLAIR LEIGHTON.\*

“The Landing of the Romans in Britain.” By WALTER PAGET.\*

“The signing of Magna Charta.” By C. GREGORY, R.W.S.

“Queen Elizabeth at Tilbury Fort.” By E. BLAIR LEIGHTON.\*

“Casell & Co. have made a new departure in the matter of historical pictures suited for educational, or, perhaps one would say, scholastic, purposes. The design is carried out with that appreciation of the age in which the event occurred, and with that attention to detail in drawing and colouring which we should naturally expect from such a house. Each cartoon makes a striking picture, and forms not only a permanent lesson in history, but a fine decoration for the wall. They are published at a most reasonable price, and ought to be exhibited on the walls of every school where history is taught on an intelligent, and therefore interesting plan. They can be most highly recommended.”—*Schoolmaster.*

The Cartoons are HANDSOMELY PRODUCED IN COLOURS, and published at **2s.** each, unmounted; and at **5s.** each, fully mounted on rollers and varnished.

\* *From Original Drawings executed for the New Edition of CASELL'S HISTORY OF ENGLAND.*

**Pamphlet** containing descriptive accounts of the incidents depicted, and outline drawings of the Cartoons, 16 pages, **1d.**
