

## MUST LEAVE CHURCH OR FACE CRITICISM

Baptists to Call on Hon. Dr. Cody to Resign Rectorship of St. Paul's.

## DOUBLE RELATIONSHIP

People Will Not Tolerate It, Says Rev. Dr. McKay.

Hon. Dr. Cody will have to resign the rectorship of St. Paul's Church or become the target for an attack from the Baptists at their approaching big convention.

Rev. Dr. W. J. McKay of the Ontario and Quebec Baptist Association executive made this quite clear in a frank statement to The World yesterday afternoon.

Rev. Dr. McKay said: "Dr. Cody must not remain the pastor of a church if he is to continue as minister of education. Once he accepts this position of cabinet minister, he steps in the public eye, and the public have a right to say what their servants shall do."

"For one thing, no living man can do the work of minister of education if he is also at the same time pastor of a church, and even Dr. Cody cannot do it. The work of the department is of such magnitude that it will require the undivided attention of the man who accepts the responsibility."

"In addition to this, however, I should like to say to Sir William Hearst that there is no religious denomination among non-Catholics to which a more serious cause of suspicion will attach than to a member of the Church of England."

"The traditions of the Church of England are for state churchism. The people of Canada have made much progress since the days of Bishop Strachan, and will never tolerate again anything of this kind."

Rev. Dr. McKay said that protest had been delayed by the fact that Dr. Cody ample time to drop the "double relationship," but that "the protest will have to be made unless some guarantee is given before long."

## ASK GOVERNMENT TO STAND FIRM

Resolutions passed by the Order of the Sons of Temperance now in consideration touching upon the temperance question were presented to Dr. Cody, minister of education, and to Hon. Sir William Hearst through Hon. W. D. McPherson, provincial secretary, yesterday. The resolution to the prime minister commended the legislature for its stand on the Ontario Temperance Act, which, it was said, had brought untold benefits to the province.

In the resolution to the minister of education it was recommended that an effort be made by department of education to press more vigorously teaching of scientific temperance in public schools. It was requested that such additional text books as may be necessary be secured and that the subject be retained upon the curriculum and that examinations be held on the subject.

Those composing the deputation were: J. M. Walton, Aurora, grand worthy patriarch; T. N. Wilmet, Orillia; W. H. Orr, W. N. Tice, N. A. Howard-Moore and J. A. Miller, Toronto.

## Building Permits May Reach Sixteen Millions

City Architect Pearce stated yesterday that he believes that the building permits for 1919 will total fifteen to sixteen millions of dollars. "In talking to a number of prominent architects it was evident that they are all very optimistic regarding the possibilities of building next year," he said. He was of the opinion that it was merely a question of raising the money. "This should be easy if the government will furnish it at a reasonable rate of interest."

The following building permits were issued yesterday by his office: British Forgings, Limited, to erect a one-story temporary munition building at 27 Atlantic avenue. It will cost about \$4000. Permission was also granted to move the garage on the same property.

The Toronto Harbor Commission were granted a permit to alter a freight shed to a garage, at a cost of \$2500. James Harris, 43 Hogan avenue, was permitted to build three brick dwellings at \$1000 each, at 143, 145 and 147 Sears street, near Knox avenue. Permission for these buildings had to be granted by the board of control for the erection of this type of buildings on an exceptionally narrow street.

## SOLDIER RE-EDUCATION.

Dr. John Brashear, Pittsburg, was a visitor to the parliament buildings recently. He visited Hon. Dr. Cody, minister of education, and took up with him questions pertaining to the re-education of returned soldiers. Dr. Cody put him in touch with Sir Robert Falconer, president of University of Toronto, and an inspection of the work at the Hart house was made.

Dr. Brashear is known in Pittsburg as the children's friend. He is a prominent astronomer and has made many of the largest lenses for telescopic work in America. It was he who made the telescopes for the Dominion observatory at Victoria, B.C.

## MISSING CHILDREN FOUND IN BANK OF TORONTO

After being missing from their home at 206 Logan avenue since Monday morning, Vida, age 10, and Eddie Taylor, age 7, were found asleep wrapped up in horse blankets yesterday morning in the corridor of the Bank of Toronto, Yonge street branch. The discovery was made by Policeman Smith, of No. 2 division, who took the children to detective headquarters.

The children were last seen by Mr. C. W. Spink, who owns a boathouse at the foot of Leuty avenue, and it was thought by some people that they had ventured out in a boat and been drowned.

The only reason the older girl could give for the runaway was that they wanted to see Scarborough Beach before the snow came, and later they intended to go up town and see Santa Claus.

The children went home with their father, E. Taylor, who came for them nine o'clock and took them home to their mother, who had worried herself ill at their continued absence.

## OSGOODE HALL NEWS

Appellate Court—First Division. List of cases set down for hearing for Friday, Nov. 22, at 11 a.m. Sutherland v. Harris (to be continued).

Mann v. Gray. Silverman v. Legree. Ball v. Toronto Railway Company. Shaw v. Clarkson Jones.

Judge's chambers will be held at 11 a.m. before Mr. Justice Rose. The following gentlemen were called to the bar: Robert Bland Johnston, Joseph Emile Bedard, Tracy Earl Carmichael, Jacob Laurence Cohen, William Howard Walter, Ashton Roy Douglas, Leo Abraham, Maldaiver, James Frederick Clarke, Whalley, Meyer Rotenberg, Robert Elmer Pennell, Jean Charles Gaston Fontaine.

## Crippled Soldier Complains Of Toronto Discourtesy

Seven pages of bitter complaint against Toronto's treatment of wounded soldiers were received by The World from "A Western Man at Whittby."

Having turned a verbal machine gun with a full belt on the R.A.F., whom he has even less use for than he had for the Hun, he proceeds to rend everybody in the directory over the age of nineteen.

But, discounting 95 per cent. of what "Western Man" says and probably does not mean, there is still sufficient smoke to point to a fire, and it is evident that he at least has been given a reception from ignorant or careless residents of this city such as should not be meted out to any man who has lost a limb in their service. One of his chief complaints is that discourtesy is shown to wounded men by employees of the Toronto street railway and indifference to the distress of standing cripples in the attitude of healthy civilians who remain seated when the cars are crowded.

## How to Address Letters To Soldiers in Siberia

To facilitate the handling of mail for the Canadian expeditionary forces, Siberia, and to insure prompt delivery, it is requested that all mail be addressed as follows:

- Regimental number.
- Rank.
- Name. Capt. R. H. Bradfield.
- Squadron, battery or company.
- Battalion, regiment (or other unit), staff appointment or department.
- Canadian expeditionary forces.
- Siberia.

The rates of postage will be: Letters, two cents for each ounce, or fraction thereof, with one cent additional as war tax. Newspapers, one cent for each two ounces or fraction thereof. Parcels, 12 cents for each pound or fraction of a pound. Limit of weight, seven pounds.

## Further Military Honors Received by Toronto Men

Among the Toronto men newly decorated with war honors is Lieutenant Richard Roe Oliver, who has received the Military Cross for gallant work as an observation officer. He is a son of F. G. Oliver, Capt. R. H. Bradfield, M.C., has also been awarded the D.S.O. He is an 84th Battalion officer. His home is at 28 Rosemont avenue. Mrs. Hugh Haley, 29 Ashland avenue, has received word that her husband, Lt.-Col. Hugh Haley, has been awarded the Military Medal for bravery.

## NEW ROUTE TO WESTERN CANADA

On your next trip to Western Canada, why not travel over a new route, using the famous train known as the National on your journey, and traversing some of the most interesting scenery in the Dominion? The National is a through train, which leaves Toronto at 8:35 p.m. on Tuesday, Thursday and Saturday. The rails of the Grand Trunk are used to North Bay, which is reached early on the morning following the departure from Toronto. A daylight run is made through the lake-land beauties of the Timiskaming and Northern Ontario to Coburn, calling at Cobalt, with its wonderful mining activity. From Coburn to Winnipeg your journey lies over the Canadian Government Railways, with splendid opportunities of inspecting the fertile regions of New Ontario, including the famed clay belt, where tens of thousands of settlers will make their homes in the future. The three railways have combined to make the passenger service over this new route of the highest possible standard. The greatest travel comfort is assured, while there is no added expense for railroad fare as compared with any other route. For further particulars apply to any Grand Trunk ticket agent, or C. E. Horning, D.P.A., Toronto.

## EARLS COURT LIBRARY FUND.

At the meeting of the committee of the Earls Court and District Memorial Hall and Public Library Fund, it was decided to go energetically forward with the collection of funds. Books of tickets representing bricks, and books of coupons representing square feet of land, were issued to those present.

## LIEUT. A. E. HOLMES IS SERIOUSLY ILL

Gunner F. O. Riddell Dies of Wounds at Boulogne.

Lieut. Albert E. Holmes, who has been convalescing in the Prince of Wales Hospital, London, England, from severe compound fracture of the tibia, is now reported ill with influenza and pneumonia. He is the elder son of Principal Holmes of Palmerston School.

Flight-Lieut. Noel S. Jones, in hospital in France, is believed to have met with his injuries in a flight he started on a six-weeks' furlough. He is stated to be wrapped from head to foot in cotton, but that is all that is known of his injuries. Before enlistment he was an employee of the Bank of Commerce at the head office and lived at 62 Spencer avenue.

Flight-Lieut. J. D. Vance, son of Mrs. Vance, 271 Bathurst, who reached England from Holland, where he had been interned, following a forced landing.

Pte. C. E. Rogers, 21 Lindsey avenue, of the Divisional Cyclists, has died of wounds. He was born in Toronto 24 years ago.

The mother of Pte. J. Davies regarded as a bad omen the falling of her son's picture from the wall. She has now received word that her son has been killed in action. He was a native of Toronto.

Gunner F. O. Riddell, 53rd Battery, C.F.A., B.E.F., is reported to have died on Nov. 18 at No. 3 Canadian General Hospital, Boulogne. He was 19 years old, the only son of W. C. Riddell, 71 Hewitt avenue.

Pte. Cecil A. Bell, 104 Wood street, is in an official message from Ottawa listed as believed killed on Sept. 30. He had previously been reported as missing. He was born in Toronto and went overseas with the 138th Buffs Battalion.

Pte. George Sharp, brother of C. E. Sharp, is reported to the hospital buildings yesterday, suggested legislation in reference to loan companies was presented by Hon. I. B. Lucas, attorney-general. It is understood that this met the approval of the committee and that the clauses will be printed and presented to the board of control in Ontario for consideration.

There will be a meeting called of all these, the date for which was not decided upon, when full discussion will be asked for and the matter will be taken up shortly.

## U. S. Exports to Europe Tighten Stock Feed Supply

A matter that is attracting attention is the fact that the United States food administration has decided to supply feeds to the central empires with the result that the feed supply will be considerably tightened up. Just what action will be taken in this regard will be decided by the first of the feed section of the organization of resources committee at Hamilton on Wednesday, Oct. 27, according to an announcement made by the first of Bailey, deputy minister of agriculture, yesterday.

The manufacture of standard feed will be taken up and there is in storage in Hamilton now about \$1,000,000 worth of cotton seed and oil cake, which was purchased by the United States. The question of storage, manufacture and sale of concentrates will be considered and finally dealt with.

## More Street Cars Running; New Motornets in Hundreds

When the city's case before the Ontario Railway Board to compel the Toronto Street Railway to improve their service, came up yesterday, the company's counsel, Mr. McCarthy, said the company had 171 more cars in operation on Nov. 20 than they had on Oct. 17. Men were being secured and they anticipated no difficulty with the men now in training in getting into operation in ten days a better service than a year ago. George Powell, representing the city, was of the opinion that the company were doing their level best to improve the service. The company had issued 233 badges to new motornets and conductors since Oct. 12. The case was adjourned until Dec. 6.

## Consolidated School for Kapuskasing Settlement

It is the intention of the government to open a consolidated school for the benefit of the 100 children of school age in the soldiers' settlement at Kapuskasing, and by the first of December the scheme will, it is expected, be in operation. Of these 100 children, 60 reside in various settlements some distance from the centre, so the idea is to have three vans go out in the morning to bring them in and take them home after school. The children will have lunch at school, and hot drinks will be provided. Had it not been for the influenza epidemic and the consequent use of the school for a hospital, the scheme would have been started Oct. 1.

## GAS IN THE STOMACH IS DANGEROUS

Recommends Daily Use of Magnesia to Overcome Trouble—Caused by Fermenting Food and Acid Indigestion.

Gas and wind in the stomach accompanied by that full, bloated feeling after eating are almost certain evidence of the presence of excessive hydrochloric acid in the stomach, creating so-called "acid indigestion."

Acid stomachs are dangerous because too much acid irritates the delicate lining of the stomach, often leading to gastritis accompanied by serious stomach ulcers. Food ferments and sour, creating the distressing gas which distends the stomach and hampers the normal functions of the vital internal organs, often affecting the heart.

## PROPOSED CHANGES IN TAX COLLECTION

In order to stop a leak in the collecting of business and income taxes, Finance Commissioner Bradshaw is asking the board of control to secure legislation whereby the taxes levied on persons cannot be collected immediately after the assessment has been made and confirmed.

Removals from the city, the commissioner pointed out, were chiefly responsible for the loss in collection. Just how large this sum is can be gathered from the figures on record in the department. From 1909 to 1916 inclusive, the amount uncollected was \$558,978. For the year 1916 the amount was \$108,124.

The commissioner in his report to the board of control says: "According to the present method the assessment is made early in the year and taxes are not levied on that assessment until the following year. On the average a period of 16 months intervenes between the time of assessment and the period for the payment of the tax, and at that interval a great many changes take place in the residence and condition of those assessed, with the result that losses have been incurred, as above indicated, and the general taxpayers of the city made to suffer therefor."

"In order to remedy this matter it is suggested that legislation be sought whereby the tax may be levied and collected immediately after the assessment has been made and confirmed by the court of revision. It is believed that it would be possible to bring about the collection within say two or three months after the assessment has been made, and about 13 months earlier than at the present time, and, of course, with much less chance of loss to the city."

The board of control have the matter before them for investigation.

## SPECIAL COMMITTEE ON LOAN COMPANIES

At a private session of the special loan committee appointed at last session of the legislature, the parliament buildings yesterday, suggested legislation in reference to loan companies was presented by Hon. I. B. Lucas, attorney-general. It is understood that this met the approval of the committee and that the clauses will be printed and presented to the board of control in Ontario for consideration.

There will be a meeting called of all these, the date for which was not decided upon, when full discussion will be asked for and the matter will be taken up shortly.

## Machinists Claim Short Hours Increase Employment

Reconstruction was the main theme of discussion at the convention of machinists held yesterday at Labor Temple. Momentous questions of which it was hoped would be thrashed out in a day may cover several days, if not more than a week. Among the subjects considered was the reduction of hours in order to distribute labor among a greater number of workers.

Momentous questions of which it was hoped would be thrashed out in a day may cover several days, if not more than a week. Among the subjects considered was the reduction of hours in order to distribute labor among a greater number of workers.

## Religious Reconstruction Among Toronto Churches

Toronto is to be headquarters of a new interdenominational campaign for Christian stewardship. It will be a religious reconstruction movement to reorganize and vitalize the laymen's movement for missions, which had a phenomenal success during a few years preceding the war. The reconstruction movement will begin with a three days' series of special services on Sunday, Dec. 1, in the various churches, followed by two days of conferences and organization meetings. A preliminary meeting will be held on Nov. 30 at a luncheon at St. James' Parish Hall.

Rev. Dr. W. E. Doughty of New York, chairman of the Methodist centenary committee of the United States, and Geo. Innes of Philadelphia, hon. secretary of the United Presbyterian Mission Board, will address the conferences. Right Rev. Dr. Roper, Bishop of Ottawa, is in the city to attend the convention.

## MAYOR DENOUNCES POWER ENCROACHMENTS

Says City Inadequately Protected—Works Commissioner Takes Opposite View.

"In my opinion the city is not adequately protected, and such an order should not have been issued," said Mayor Church yesterday afternoon, in reference to the power line being erected on Shaftesbury avenue. "But it is a matter of policy for the board of control to decide. The Leaside Company is supplying the United States with munitions, and now that the armistice has been signed I believe that the hydro could have taken these people as customers. This order was passed on Nov. 8, before the city council refused the application, and I think that it is a high-handed piece of business. The local hydro commissioners are not in favor of it. It is as unusual thing that the power companies and hydro are not made parties to this order."

Mrs. Vane, 23rd was of the opinion that it was no war measure at all, and that the power controller had no right to make it. The mayor pointed out that they had no right to allow the use of the highways without the consent of the city.

Works Commissioner Harris stated on his return from Ottawa yesterday that the city's rights were adequately protected by the order of Dominion Power Controller Drayton allowing the Leaside Munitions Company to construct a power transmission line from the Davenport road power house of the Toronto and Niagara Power Co. along the Canadian Northern right-of-way to Bayview avenue, and up that street to their works at Leaside.

It is the Leaside Munitions Co. and not the power company that is erecting the power line. At Shaftesbury avenue there is a kink in the railway right-of-way necessitating the erection of three poles on that street.

"Will the city take any action?" Works Commissioner Harris was asked.

"Not on my advice," he replied. "The order of the power controller will be submitted to the board of control and the recommendation of the works commissioner will probably be followed."

The city has been exercising constant vigilance so far as the Toronto and Niagara Power Company is concerned, and any encroachments by that company will be opposed with vigor. The fact that the work is being done by the munitions company, with no rights to distribute power or erect poles, the officials say, puts a different light on the matter.

## Colonel F. C. McCordick Leaves Headquarters Staff

Lt.-Col. F. C. McCordick, recently appointed officer to investigate soldiers' complaints at Toronto military headquarters, has resigned and will return to civilian life. He went overseas in 1915 as commander of the 35th Battalion, and served with distinction. His work at military headquarters will now be carried on by Lt.-Col. R. C. Windeyer, former commander of the 74th Battalion.

## Colonel F. C. McCordick Leaves Headquarters Staff

**To the People of Toronto**

**A Note of Appreciation**

The Executive Committee in charge of the Toronto Victory Loan Campaign desire to congratulate the citizens upon the wonderful showing represented by their 170,414 subscriptions, aggregating \$144,946,100, as compared with 128,590 subscriptions for \$78,132,200 last year, and to thank the public generally for the enthusiastic co-operation which made this splendid result possible.

The Committee particularly wish to thank the numerous volunteer workers, whose time and energy, so generously and effectively given, were so important a factor in the accomplishment of the greatest financial achievement in Toronto's history.

**J. W. MITCHELL,**  
Chairman,  
Toronto Executive Committee.
