DOVERCOURT AND DEER PARK. Will Play Off for Championship of C. and M. Oricket League.

Dovercourt C.C. by a very lucky victory over St. Cyprians C.C. won the championship of the western section on Saturday. In the eastern section Deer Park stands beyond the possibility of defeat, with 6 wins, even should it lose its two remaining games with St. Barnabas, one of which is a protested one. Dovercourt and Deer Park C.C.'s will, therefore, have to play for the league championship, and the game promises to be an unusually interesting one. The official standing of the clubs to date is as follows: s follows: -Eastern Section-

St. Cyprian's at Hamilton.

St. Cyprian's C.C. went to Hamilton on Civic Holiday to play their annual match with the Sons of England C. C., and the defeated had a most enjoyable time, being royally entertained by the S. O. E. St. Cyprians batted first and made 79 runs, of which Ferguson made 26 by correct cricket, and Wise secured 21 by safe and lively batting. The S. O. E. responded with 129, Bach, playing a careful innings of 47, while Nesilor's 38 included six fours. Buchanan played cautiously for 11. St. Cyprian's second attempt yielded 60 runs. Ferguson was again top scorer, with a careful 16, while F. J. Davis played a valuable and patient innings of 13, after carrying his bat for 6 in the first innings. Jones contributed a useful 11. The Sons required 11 runs to win, and scored these without the loss of a wicket. For the winners Stuart got 5 wickets for 32 runs in the first innings and Bach 4 for 28, while in the second innings Riseboro took 6 for 17, For St. Cyprian's Jones was the most successful trundler, getting 4 wickets for 13 runs. Holt secured 5 wickets for 50 runs.

A pleasant feature in connection with St. Cyprian's at Hamilton,

50 runs. A pleasant feature in connection with the game occurred immediately after luncheon, when Vice-President T. P. Wood, on behalf of St. Cyprian's Cricket Club. presented F. J. Davis, its enengeic and faithfulsecretary with beautiful pipe, tobacco pouch and silver match case with mongram on each, expressing at the same time on behalf of the members, their sincere respect and pressing at the same time on behalf of the members, their sincere respect and admiration for Mr. Davis, who has been and is the father and mainstay of the club. In expressing their gratitude for his long service and successful work in the interests of the club, the wish that he might be long spared to retain his connection with it, was the uppermost thought in the minds of all present. Mr. Davis was completely taken by surprise, so deeply touched by the cordial and sincere expressions of goodwill and affection by the members of both clubs, that for a time he found it difficult to respond. He feelingly thanked the members for their manifestations of regard for him and with characteristic modesty, attempted to depreciate the real value of his services. In Canada he had never belonged to any other club and never would, and should always take a keen interest in St. Cypways take a keen interest in St. Cyprian, even when unable to play the game a time which it was hoped would long deferred. Mr. Nastrick, captain, and Mr. Gadsby, secretary of the Sons of England C.C., expressed the appreciation and regard for Mr. Davis that was felt by every member of the source. was felt by every member of their club and thanked St. Cyprian's members for making their annual game with them the occasion of a presentation, in which they took a sincere and lively interest.
The incident brought out a manifestation of cordial good-fellowship that is perhaps never so clearly apparent as when genuine cricketers meet together.
