ETTA FOX-STRANGWAYS GONE Noted Bunco Artiste Departs For Gotham in Custody.

Etta Fox-Strangways was taken from Toronto to New York on yesterday morning's train. Her alleged swindling of the Gotham smart set has attracted so much notice in that city that three of the Metropolitan papers sent special men to get an interview with her en route.

asked Inspector of Detectives Duncan f she need talk to any other than Detective Ditsch. Being assured in the negative, she declared she would speak to no one. She returned willingly and waived all extradition proceedings, seeming to be glad to be quit of Toronto jail. Detective Ditsch fears that his pris-oner may collapse during the trip, as she was in a highly nervous state

Grate Bars Had to Be Replaced -Plaintiffs' Case Will End To-Day.

SYDNEY, N.S., Aug. 7.—(Special.)-The Dominion Steel Company have case, and it is thought that to-morrow the Coal Company will begin to put in their testimony. The Steel people will then likely have some evi-dence in rebuttal. The Coal Company o'clock train last night. will call a large number of witnesses. The evidence this afternoon was mainly going to show that No. 6 coal was totally unfit for steam purposes. A number of the Steel Company enginemen swore that the coal was hard on the grate bars of the engine and also that steam could not be kept up.

ed clinkers to form in the fire box. One man swore that after using the No. 6 coal for one day it was necessary to put in one hundred new bars. The evidence now in goes to prove that No. 6 coal could not be used for steel making, or for use in engines or steamers.

C. C. Morris stated that the S. S. Trafalgar and S.S. Bergenhus, which One man swore that after using the Trafalgar and S.S. Bergenhus, which he claimed were bunkered with coal from No. 6, had their bars badly burnt,

and also claimed that no one in the steel plant wanted to touch that coal Several tilts took place between
