WAR NEWS PARAGRAPHED.

Spanish reports say regarding Friday's bombardment of Santiago, that the attempt to land U. S. troops failed. Lieut, Hobson and his fellow heroes of the Merrimac are reported well and being well treated.

The auxiliary cruiser St. Louis captured a Spanish merchant ship tside the harbor of Kingston, Jamaica, on Saturday. The London Times correspondent at Manila thinks peace has been brought nearer by recent events in the Philippines.

The arsenal at Ferrol, Spain, is very active, and men in the dock-yards are working day and night. Twenty thousand Spanish soldiers are in the town of Santiago, and lesperate resistance to the landing of American troops is expected. U. S. warships Vixen and Suwanee landed 300,000 rounds of ammunition, 300 rifles and 2000 machetes on the Cuban coast near Santiago. Philippine insurgents are reported to have attacked Manila on

Spanish generals say they can continue the war for two years. It is stated that no suggestions for peace have been received at Madrid.

Admiral Cervera has been notified by the U.S. Navy Department that if he destroys his ships Spain will be made to pay an additional indemnity equal to their value.

It is said that the delay in sending troops forward from Tampa is because peace negotiations are further advanced than the public is aware.

General Merritt has now 16,000 troops in sight for the Philippines

Word comes from Vienna, by way of London, that Spain earnestly If something has not happened to prevent it, Gen. Shafter sailed from Key West last night with the first division of the U. S. army for Santiago to besiege and capture the town. Thirty transports, with about 16 convoying warships, comprise the exepition.
