PARALLEL ROADS WILL

Golf Club House Nearing Completion-Accidents in West Toronte-County News.

NORTH TORONTO, Sept. 22.—Special.)—Rev. T. A. McEwen will in a

cial.)—Rev. T. A. McEwen will in a few days remove to the residence now occupied by Mrs. A. H. St. Germain, but Mrs. St. Germain will continue to occupy a portion of her residence.

Work on the splendid new Rosedale Golf Club buildings is progressing rapidly and at the present rate will soon be ready for putting on of the roof. The handsome new structure will cost when completed, in the neighborhood of \$10,000. This property was acquired by the golf club at a cost of acquired by the golf club at a cost of \$65,000 and comprises in the neighbor-

hood of 130 acres. The "tent services" carried on during the past few months on the skat-ing rink grounds, will close there for the season in about a month, but the the season in about a month, but the members of the mission have in the meantime bought a lot on Eglinton-avenue and are busily engaged in the

Councillor Murphy's persistent op-position to anything in the town's in-terests unless it emanates from him-self, is construed as responsible for his opposition to Councillor Burnaby's Burnaby's otion on Tuesday night, to open up the sewerage question again. Now that a special meeting is to be arranged ndering whether this councillor will attend the meeting or sidestep, as he

did when the engineer was in consulta-tion with the sewerage committee previous to the submission of the bylaw... Solicitor Gibson at last night's meet ing pointed out the danger of delay re the parallel roads matter, and drew attention to the clause with respect to the time limit, both as regards arbitration proceedings and the payment of the award. Council instructed the sofucitor to get in touch with the York future prospects in this regard," sail the agent.

Township on which municipality will a big property owner yesterday.

all the conduct of the case. Reeve "We're about a unit on this matter." Township on which municipality wild a big fall the conduct of the case. Reeve Henry has always been a warm advosaid he. cate of the scheme and doubtless little time will be lost in the perliminary

The condition of Councillor Parke was for a few days not quite so favorable, but his splendid spirit has aided materially in the great uphili fight which the councillor is making.

The council were quick to appreciate est receptions ever accorded a citizen and manifest their sympathy and high

Now that council have decided to recall Engineer Murray to elaborate still further on the sewerage bylaw, it is to be hoped that the meeting will not, in deference to Councillor Murphy, be formal proceedings a becheduled for a Saturday evening.

Sow Thistle Menace. John T. Watson, farmer of Fairbank. states that the sow thistle has not ob-tained such a hold around Fairbank as in many places, but is spreading fusal of the judge to accept the first rapidly and is likely to be a great menace to successful farming in that district. Furthermore, he says, all weeds are increasing rapidly and the tenant system is in a measure responsble, tho many owners are careless.

ACT ALWAYS ON THE SOUARE Be Sure You're Right, Then Go Ahead.

Infinite within him would have him act, he draws power to himself from dustrious and very kind to me and the unseen sources: that power may be children. He began to drink four or shown in many ways. Things work smoother, plans carry out, people be-gin to say, 'lucky,' 'he's a winner,' 'everything he touches succeeds,' etc.,

"Ever try it? If you ever do, you will agree that it is the greatest proposition on earth. There is a marvelous potency about the man who acts in a simple, straightforward way, as far as he knows, in accordance with the promptings of that invisible Deity within. This should teach him that great and honorable work is ahead for man, at once the tool and a part of the Master

Workman." So says the Philistine and doubtless it comes pretty near the truin. But the tool must not be dulled and ruined by bad food or drink. Too seldom we seem to realize that the stomach should be taken care of and given proper chance to fulfil its natural func tion. Everyone, or nearly everyone, likes beverages. The question then arises as to what sort of a beverage is most beneficial for everyday use Try as you will, it is impossible to think of a more palatable drink than O'Keefe's "Star" beer, that wonderful new brand that has already wrought a revolution in bringing about increasing sobriety. This 'Star' beer is undoubtedly becoming more and more popular every day, and its heaithfu!, eneficial, invigorating qualities are be-

ing recognized by all class-s of people Modern Warehouse. The sale of 84 and 86 West Welling-ton-street has been in negotiation by Pearson Bros., the purchasers being the Canada Veiling Co. It brought \$70,000. The lot has a frontage on Wellington-street of 54 feet by a depth of 140 feet. The present old buildings are to be torn down to give place to a

The above are the Specialties of

DR. W. H. GRAHAM. 1 Clarence Square, Cor. Spadina. Bargain Day at Simpson's
—the "Store of Beauty"

tious."

Store Opens at 8 a.m.

Closes at 5.30 p.m.

Heard in the

Elevators

"One thing about this

"Yes, and another thing-it's clean," re-

The idea of Simpson's being

clean never struck us before

But what an important point

cleanliness is! As a rule, of

course, one doesn't advertise

the fact that one's person, or

one's house, or one's business is clean. We let that be taken

for granted. Of course it is

clean. Cleanliness is a matter

But there are varying de-grees of chanliness. This

store shines out particularly as

a clean store, as the remark in

the elevator indicates, and there are good reasons for it. In the first place we have a large staff at work all night to

remove all soiled traces and

debris. Every morning when the doors open the whole place

is as bright as a new pin. Then

half the store is new, and the

other half has been "touched

up," painted and whitened to

But perhaps the greatest factor in the clean, wholesome

appearance of the store is the

openness of everything. There

are no dusty holes and corners

to accumulate dirt and rubbish.

Where the building men are

still working there may be a

little debris, but that will soon

be over and done with. It's a long cry from sawdust floors to polished hardwood and velvet
