

SIGN OF THE WHITE HAT.

PORT HOPE  HAT FACTORY

H. J. WRIGLEY,
HATTER AND FURRIER,
Walton Street, Port Hope.

BEGS to inform his friends that he has now on hand a large Assortment of SILK and FELT HATS, and being all made in his own Manufactory, he can confidently recommend them, for lightness, style, and durability. Hats made up to order, at prices to suit customers.

He is also sole manufacturer of the celebrated Gutta Percha Stiffening, which renders the hat elastic and water-proof. As his Hats took the *First Premium* at the Provincial Exhibition, at Cobourg, last year, further comments on their merits are unnecessary.

The highest price paid for any quantity of Furs.
