MUSICAL INSTRUMENTS

The Thinker Is The Man

Who buys his PIANO at Bell's
Piano Store.

Because we sell direct to the home
at a price that only a firm eliminating
such expenses as Agents, Bank Dis-
counting and High Rents can afford
to sell.

The Thinker knows that these in-
between expenses add no value to the
PIANO.

Can you imagine a man paying 35
to 50 per cent. more for an article
because the merchant must charge
the extra amount to do business?
